EXHIBIT "A"

BOND DISCLOSURE POLICY **Woodbury County Law Enforcement Center Authority** **Approved: September 17, 2020**

Article I *General Overview*

Section 1.01. Purpose. This Bond Disclosure Policy ("Policy") of the Woodbury County Law Enforcement Center Authority (the "Authority") is intended to ensure that the Authority efficiently carries out its primary (offering) and secondary (continuing) disclosure obligations with respect to Securities it issues or guarantees pursuant to Rule 15c2-12, as amended (the "Rule"), promulgated under the Securities Exchange Act of 1934, as amended.

Section 1.02. Background. The Rule prohibits underwriters from purchasing bonds, notes or other obligations for resale to private investors unless the issuer provides an official statement and contractually promises to provide specified disclosures as required in the Rule. To facilitate compliance with the Rule, each issuer must enter into a continuing disclosure agreement ("Disclosure Agreement(s)") with the purchaser or underwriter in connection with each new issuance of Securities, thereby creating a contractual promise on behalf of the issuer to provide the market with these disclosures. The Authority is responsible for ensuring that all disclosure documents contain accurate information. The SEC has asserted that, under Rule 10b-5, "disclosure documents used by municipal issuers, such as official statements, are subject to the prohibition against false or misleading statements of material facts, including the omission of material facts necessary to make the statements made, in light of the circumstances in which they were made, not misleading."

Section 1.03. Securities Subject to the Rule. Various offerings of Securities are fully or partially exempt from the continuing disclosure provisions under the Rule. Offerings with an aggregate original principal amount of less than \$1 million ("Small Offerings"), offerings sold prior to July 3, 1995 ("Old Offerings") and offerings sold by an issuer directly to investors without using a broker, dealer, or municipal securities dealer as an underwriter or placement agent ("Direct Offerings") are entitled to certain exemptions from all continuing disclosure provisions under the Rule, unless the Authority voluntarily agrees to provide continuing disclosures for an otherwise exempt offering. Such exempt offerings may constitute a reportable "Financial Obligation" under a Disclosure Agreement entered into after February 27, 2019.

Section 1.04. Definitions. In addition to the terms defined above, the following capitalized terms shall have the following meanings:

- (A) "Annual Reports" shall have the meaning set forth in Section 4.01 of this Policy.
- (B) "Disclosure Coordinator" means the individual designated in Section 2.01 of this Policy.

(C) "Disclosure Counsel" means legal counsel (which may be bond counsel retained under separate engagement for a series of Securities) engaged for the purpose of assisting the Authority in meeting its primary and secondary market disclosure obligations.

(D) "EMMA" means the Electronic Municipal Market Access system of the MSRB. Information regarding submissions to EMMA is currently available at <http://emma.msrb.org/>.

(E) "Employee" means any person who, as part of his or her employment, has regular responsibility for the administration of matters related to Securities and Financial Obligations.

(F) "Financial Advisor" means a municipal advisor engaged for the purpose of assisting with the Authority's structuring and sale of Securities and incurrence of Financial Obligations.

(G) "Financial Obligation" means a (i) debt obligation¹; (ii) derivative instrument entered in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii).

By way of further explanation of the definition:

- a. The term Financial Obligation is intended to distinguish debt, debt-like, and debt-related obligations (which could impact the Authority's liquidity, overall creditworthiness, or an existing Securities-holder's rights) from ordinary financial and operating obligations incurred in the normal course of Authority operations.
- b. The term Financial Obligation shall not include Securities as to which an official statement has been provided to the MSRB consistent with the Rule.
- c. The term Financial Obligation includes lease arrangements entered into by the Authority that operate as vehicles to borrow money, e.g. create an obligation to repay borrowed money over time under the terms of a lease equivalent to a similar obligation incurred under the terms of an indenture, loan agreement or similar contract, but does not include lease arrangements that are not vehicles to borrow money (e.g. operating leases) which do not represent competing debt of the Authority.
- d. A "derivative instrument" includes a swap, security-based swap, futures contract, forward contract, option, any combination of the foregoing, or any similar instrument to which the Authority is a counterparty, designed to hedge

¹ SEC guidance as of the date of the policy indicates the term "debt obligation" includes, but is not limited to: (1) any short-term or long-term debt obligation of the Authority under the terms of an indenture, loan agreement or similar contract; (2) a direct purchase of municipal securities of the Authority by an investor; (3) a direct loan to the Authority by a bank; and (4) generally, lease arrangements entered into by the Authority that operate as a vehicle to borrow money. The Authority should analyze each "Financial Obligation" upon the facts and circumstances in accordance with the Rule, and any subsequent guidance thereunder by the SEC.

against the risks of a related debt obligation, as opposed to such vehicles designed to mitigate investment risk.

- (H) "Fiscal Year" means the fiscal year of the Authority, beginning on July 1 and ending on the following June 30.
- (I) "Listed Event" means any of the events listed in Exhibit A of this Policy.

Article III ***Official Statements***

Section 3.01. Review and Approval of Official Statements. Whenever the Authority issues Securities, an Official Statement may be prepared. Each of these Official Statements contains information relating to the Authority's finances. The Disclosure Coordinator (with advice from Bond Counsel, any retained Disclosure Counsel, and/or Financial Advisor) shall have primary responsibility for ensuring that all such information is accurate and not misleading in any material aspect. The Official Statement may also include a certification that the information contained in the Official Statement regarding the Authority, as of the date of each Official Statement, does not contain any untrue statement of material fact or omit to state any material fact necessary to make the information contained in the Official Statement, in light of the circumstances under which it was provided, not misleading. When undertaking review of a final or preliminary Official Statement, the Disclosure Coordinator shall:

- (A) review the Official Statement to ensure: (i) that there are no material misstatements or omissions of material information in any sections, (ii) that the information relating to the Authority that is included in the Official Statement is accurate, and (iii) that when necessary the information relating to the Authority has been reviewed by a knowledgeable Employee or other appropriate person;

Section 3.02. Submission of Official Statements to Board of Commissioners for Approval. The Disclosure Coordinator shall submit all Official Statements to the Board of Commissioners for review and approval. The Board of Commissioners shall undertake such review it deems necessary, following consultation with the Disclosure Coordinator, Bond Counsel, retained Disclosure Counsel, if any, and/or the Financial Advisor to fulfill the Board of Commissioners responsibilities under applicable federal and state securities laws.

Article IV ***Annual Report Filings***

Section 4.01. Overview. Under the Disclosure Agreements the Authority has entered into in connection with certain of its Securities, the Authority is required each year to file Annual Reports with the EMMA system. Such Annual Reports are generally required to include: (1) certain updated financial and operating information as outlined in each Disclosure Agreement, and (2) certain audited financial statements. The documents, reports and notices required to be submitted to the MSRB pursuant to this Policy shall be submitted through EMMA in an electronic format (searchable PDF), and shall be accompanied by identifying information, in the manner prescribed by the MSRB, or in such other manner as is consistent with the Rule. A description of the format and information presently prescribed to be filed with EMMA is included in Exhibit B. To facilitate the Authority's Disclosure Agreements the Disclosure Coordinator shall:

- (A) maintain a record of all Disclosure Agreements of the Authority using a chart substantially in the form attached as Exhibit C, which shall identify and docket all deadlines;
- (B) schedule email reminders on the EMMA website for each issue of Securities to help ensure timely filing of financial disclosures;
- (C) ensure that preparation of the Annual Reports commences as required under each specific Disclosure Agreement; and
- (D) comply with the Authority's obligation to file Annual Reports by submitting or causing the required (i) annual financial information and operating data and (ii) audited financial statements to be submitted to the MSRB through EMMA.
 - (i) In the event audited financial statements are not available by the filing deadline imposed by the Disclosure Agreement, the Disclosure Coordinator shall instead timely submit unaudited financial statements, with a notice to the effect that the unaudited financial statements are being provided pending the completion of audited financial statements and that the audited financial

statements will be submitted to EMMA when they have been prepared. In the event neither audited nor unaudited financial statements are timely posted, the Authority shall file a "failure to file notice" in accordance with the Rule. The failure to file notice for audited financial statements shall include information describing the nature and/or cause of the failure to meet the contractual deadline and, if available, an approximate timeframe for when the completed audited financial statement is expected to be submitted. Audited financial statements shall be filed as soon as available. If updated financial and operating information is not posted by the filing deadline, the Disclosure Coordinator shall cause a "failure to file notice" to be posted to EMMA in accordance with the Rule.

- (ii) All documents submitted to the MSRB through EMMA that are identified by specific reference to documents already available to the public on the MSRB's Internet website or filed with the SEC shall be clearly identified by cross reference.

Article V ***Listed Event Filings***

Section 5.01. Disclosure of Listed Events. Pursuant to Rule 15c2-12(b)(5)(i)(C), the Authority is obligated to disclose to the MSRB notice of certain specified events with respect to the Securities (a "Listed Event"). Employees shall be instructed to notify the Disclosure Coordinator upon becoming aware of any of the Listed Events in the Authority's Disclosure Agreements. The Disclosure Coordinator may consult with Bond Counsel, retained Disclosure Counsel, if any, or the Financial Advisor, to determine if an occurrence is a Listed Event, and whether a filing is required or is otherwise desirable. If such a filing is deemed necessary, the Disclosure Coordinator shall cause a notice of the Listed Event (a "Listed Event Notice") that complies with the Rule to be prepared, and the Disclosure Coordinator shall file the Listed Event Notice as required by the Rule as follows:

- (A) Prior to issuance of new Securities after February 27, 2019, a complete list of current Financial Obligations shall be compiled in accordance with Exhibit D hereof, and submitted to the Disclosure Coordinator for continuous monitoring with regard to compliance with all Disclosure Agreements entered into on or after February 27, 2019.
- (B) The Disclosure Coordinator shall monitor and periodically review the Listed Events identified on Exhibit A, in connection with the Disclosure Agreements identified on the chart in Exhibit C to determine whether any event has occurred that may require a filing with EMMA. To the extent Disclosure Coordinator determines notice for an event is not required based on the event not achieving a level of materiality, Disclosure Coordinator shall document the basis for the determination.

- (C) Securities to which the Listed Event or Events are applicable, in a timely manner not in excess of ten (10) business days after the occurrence of the Listed Event.
- (D) The Disclosure Coordinator shall monitor Securities data on EMMA regarding rating agency reports for rated Securities, and may subscribe to any available ratings agency alert service regarding the ratings of any Securities.

Article VI

Each Transcript shall include final versions of documents submitted to the MSRB through EMMA, and any documentation related to determinations of materiality (or immateriality) of Listed Events. Training sessions may include meetings with Bond Counsel, retained Disclosure Counsel, if any, Dissemination Agent, if any, or Financial Advisor, and teleconferences, attendance at seminars or conferences where disclosure responsibilities are discussed, and/or recorded presentations. Whenever the Authority makes statements or releases information relating to its finances to the public that is reasonably expected to reach investors and the trading markets (including, without limitation, all Listed Event notices, statements in the annual financial reports, and other financial reports and statements of the Authority), the Authority is obligated to ensure that such statements and information are accurate and complete in all material aspects. The Disclosure Coordinator shall assist the Board of Commissioners and its counsel in ensuring that such statements and information are accurate and not misleading in any material aspect. Investment information published on the Authority's website, if any, shall include a cautionary statement referring investors to EMMA as the official repository for the Authority's Securities-related data.

EXHIBIT B

Suggested Practices in Submitting Annual Financial Information to EMMA*

Annual Financial Information is to be submitted to EMMA as follows:

- through the EMMA Dataport;
- in one or more electronic word-searchable portable document format files configured to permit documents to be saved, viewed, printed and retransmitted by electronic means ("properly formatted pdf file"); and
- indexed by the submitter as "Annual Financial Information and Operating Data" – this EMMA indexing category should be used for all submissions consisting of one or both parts of an annual financial information submission. A submission should be indexed in EMMA by the submitter as "Annual Financial Information and Operating Data" if it consists of complete annual financial information (including audited financial statements and/or the CAFR).

If the audited financial statements have not been prepared in time to meet the deadline:

- file unaudited financial statements with a notice to the effect that the unaudited financial statements are being provided pending completion of audited financial statements and that the audited financial statements will be submitted to EMMA when they have been prepared.

If annual financial information is provided by reference to other submitted documents file:

- a notice that includes specific reference to a document available on the EMMA website or the SEC (such as, but not limited to, an official statement), to the extent that such document in fact includes the information required to be included in the annual financial information; and
- the submitter should confirm that such document in fact is available from the EMMA website or the SEC and should include in such notice (A) a textual description of the document that includes the required information, with sufficient detail for a reasonable person to determine the precise document being referenced, and (B) an active hyperlink to the pdf file of such document as then posted on the EMMA website or to the SEC's EDGAR system; further, if such document includes audited financial statements, the submitter should also index such submission as "Audited Financial Statements or CAFR" in addition to (but not instead of) "Annual Financial Information and Operating Data" unless the submitter submits such audited financial statements separately to EMMA.

Failure to file notices are to be submitted to EMMA as follows:

- through the EMMA Dataport;
- as an electronic word-searchable and properly formatted pdf file; and
- indexed by the submitter as "Failure to Provide Annual Financial Information."
