**WORDING FOR AGENDA ITEM:**

Discussion on Woodbury County participation in the Siouxland Chamber of Commerce 30<sup>th</sup> Annual Dinner.

**EXECUTIVE SUMMARY:**

The Siouxland Chamber of Commerce is the leading area business advocate. The Chamber represents its membership by promoting the economic welfare and quality of life for the tri-state region. As a Chamber investor, we are encouraged to get involved in Chamber events such as: monthly Business After Hours, and annual events like the Key Executive Welcome, Chamber Golf Classic and the Chamber Annual Dinner. In addition to providing valuable networking opportunities, the Chamber's annual events also serve as a critical tool to raise the financial support needed to effectively achieve its organizational goals. The Chamber's 30<sup>th</sup> Annual Dinner will be held on 9/29/15 and will feature a debate between Karl Rove and Robert Gibbs who are among the most influential advisors to our two most recent presidents. There are 3 levels of sponsorship for this event: Tier I = \$2,500 (table for 10); Tier II = \$2,200 (table for 10); and Tier III = \$1,900 (table for 10). Sponsors are invited to a private, pre-event reception with Robert Gibbs & Karl Rove. Additionally, sponsors will receive premium seating, recognition at the dinner, and inclusion in the event program, as well as on the Chamber website. Tickets to this event for Chamber members are \$80, or \$800 for a table of 10. Tickets to this event for non-Chamber members are \$95, or \$950 for a table of 10.

**BACKGROUND:**

Woodbury County officials/employees have previously participated in various Chamber events. In 2014, Woodbury County sponsored a Tier III table at the Chamber's Annual Dinner at a cost of \$1,900, which was paid for out of the Rural Economic Development Department budget. The Director of the Rural Economic Development Department seeks guidance from the Board of Supervisors on whether the Rural Economic Development Department should acquire a sponsorship and/or seats to this event for County officials/employees.

**FINANCIAL IMPACT:** \$800 up to \$2,500

**RECOMMENDATION:**

The Director recommends the County acquire 2 general seating tables at \$800/table, to allow County officials/employees with the potential for their spouses to attend. Any non-County official/employee would be required to reimburse the County for their seat at cost. Suggested County attendees include:

- |                                                              |     |
|--------------------------------------------------------------|-----|
| 1. Mark Monson – Chairman of the Board of Supervisors        | + 1 |
| 2. Jeremy Taylor – Vice Chairman of the Board of Supervisors | + 1 |
| 3. Larry Clausen – County Supervisor                         | + 1 |
| 4. Jaclyn Smith – County Supervisor                          | + 1 |
| 5. Matthew Ung – County Supervisor                           | + 1 |
| 6. Patrick Jennings – County Attorney                        | + 1 |
| 7. Patrick Gill – County Auditor                             | + 1 |
| 8. Michael Clayton – County Treasurer                        | + 1 |
| 9. Dave Drew – County Sheriff                                | + 1 |
| 10. David Gleiser – Rural Economic Development Director      | + 1 |

**ACTION REQUIRED:**

Give direction as to whether the Director should acquire a sponsorship and/or seats to this event for County officials/employees.

**WORDING FOR AGENDA ITEM:** Discussion and action on changing county email addresses from city to county domain

**EXECUTIVE SUMMARY:** In order to improve customer service to properly characterize county employees, it makes common sense to initiate an email domain transition from the current "...@sioux-city.org" to a domain that includes "woodbury county" or similar.

**BACKGROUND:** County department heads have expressed undue burdens associated with conducting Woodbury County business under a Sioux City email domain. This has been expressed at public board meetings recently as well as the July Department Head Meeting. As an example of the obvious misrepresentation given, citizens have approached or called City Hall rather than the county courthouse. This issue has apparently been raised a few times (though not in an agenda item) over the last couple years with no action.

**FINANCIAL IMPACT:** The cost of securing a domain for email use could be as little as a couple hundred dollars a year, per the Director of IT, but the IT Department must be directed to explore options in order to report prices to the Board.

**RECOMMENDATION:** The county should move forward in directing the IT Director to secure county employees and department heads with email addresses that indicate their employment with county government.

**ACTION REQUIRED / PROPOSED MOTION:** The county should move forward in directing the IT Director to secure county employees and department heads with email addresses that indicate their employment with county government.

## Background

WCICC-IT provides information technology support and systems for the employees Woodbury County and Sioux City. On or about 1995 both County and City government were utilizing an internal eMail system that ran within the confines of the WCICC network. At that time, then City Manager Craig Whitehead wanted the City to have an internet presence and directed WCICC to pursue obtaining the sioux-city.org domain. After the domain acquisition, Internet eMail ensued. The in-house IT historians indicate that County became part of the sioux-city.org domain as part of a natural evolution rather than a conscious decision not to have a distinct Woodbury County domain.
