Did your firm contact other references prior to awarding a contract to Hausmann Construction

Yes- references were all supportive

Yes- all reference contacts had favorable results

Yes

No- we already had good info. About Hausmann as they have done several projects with UNL

Did not seek references have done multiple projects with Hausmann

Was your project completed on time & within-budget

Yes

Yes

It's nearing completion now & on budget

Currently on budget, a little behind schedule due to delays in design (not in Hausmann's control)

No- but our changes made this occur

Were there any unexpected major Change Orders on your project

There were no unexpected C/O- however we did make changes of our own accord

No

It's a 45,00 Sq.Ft. project so of course there were some but nothing major

No large unexpected C/O's

Normal C/O's often covered by contingency

Were there any Labor or Safety Violations on your project

No

No

No

No

No

Would you consider using Hausmann Construction on your next Project

Yes- In fact we hope they bid on a project we have going out shortly

Yes- 100% we definatly would

Yes

Yes

Yes- definatly would use them

Describe your Firm's Over-all Opinion of Hausmann Construction

Very High Opinion

High quality, high character, good communications, excellent problem solving

They have done a good job

Hausmann is a good contractor. They have been able to get work completed at a very competitive price. They are good to work with.

Have used Hausmann on 3 projects. Two complete and are great, all going very good - one is the best we have ever turned over.
