Re: Woodbury County Law Enforcement Center Authority
Quality Assurance Questionnaire Addendum

Dear Mr. Albrecht:

It was brought to my attention that a column of the enclosed spreadsheet was unknowingly cut off when it was printed to pdf to be submitted as part of the above-referenced questionnaire. I have enclosed the original copy of the spreadsheet so that all information is shown and available to you.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "STH", is written over a horizontal line.
