

FISCAL YEAR 22-23 WOODBURY COUNTY PARKING PLAN

There are thirty parking spots located on county property attached to the courthouse, the Law Enforcement Center and the building services building (Old Eagles Club).

There are two parking spots located within the courthouse footprint. One is designated for the use of the Budget/Tax Analyst position. The balance of this area is a designated loading zone that is used for transferring prisoners for the court system and courthouse deliveries.

The Law Enforcement Center has a parking lot on the north side of the building. There are twenty-one parking spots in this lot.

On the north side of this lot are twelve spots, these all are signed Official County Parking. Starting from the west, the first two of these are currently unavailable due to an odor abatement project. The next five are designated as Judicial Branch Parking. The five remaining spots to the east of those are designated for the Sheriff's Office. Located on the south side of the lot, starting from west, are nine spots, the first three are parallel to the building and are designated for the use of associate district court judges. The next six are designated for use by the Sheriff's Office.

The building services building (Old Eagles Club), has parking for seven vehicles immediately to the east of the building. Starting from the south, the first three are designated and signed for three county owned building services vehicles. Immediately to the north of those is a spot designated for use by a Sheriff Office transport vehicle. The next spot to the north is designated for the use of the County Treasurer. To the north of that is a spot designated for use by the juvenile detention center director and the last is designated as a loading zone controlled by building services.

The Sheriff's Office will obtain placards from the City of Sioux City for the Supervisors use at meters located near the courthouse.

The county will lease additional spots in the Williges Parking facility for district court judges, elected officials and county owned vehicles and equipment. These spots are approved by the Board of Supervisors during the annual county budget process.

All complaints about unauthorized use of these designated parking places will be directed to the Building Services Department for resolution and if vehicles are to be towed, the Sheriff's Office will be contacted for assistance.
