The Governing Board may appoint a Dispute Resolution Committee which would be empowered to mediate the dispute between parties.

In the event an internal dispute arises amongst or between the Governing Board, the Chief Executive Officer (CEO) or any of the member counties, which cannot be resolved, the following dispute resolution shall be used:

- a) Further mediation conducted pursuant to Chapter 679C of the Iowa Code;
- b) If after which the dispute remains unresolved, arbitration will be conducted pursuant to Chapter 679A of the Iowa Code.

A separate explanation of the reasons for the recommendation shall be included. Each member county desiring to vote upon the proposal shall do so by resolution of its Board of Supervisors and return of the same to the Sioux Rivers Regional MHDS Governing Board Chair a certified copy of the resolution stating the County's vote within thirty (30) days of the date that the County received a copy of the proposal. Any member county not voting upon the proposal within this time shall be considered to have approved the proposal. If the proposal receives approval by majority of the votes, it shall become effective ten (10) days following the date the vote is tabulated.

### 5.4 Additional Member Counties

If a county wishes to become a member county of Sioux Rivers Regional MHDS after the Effective Date, the county must make a written request to the Governing Board. Such request will then be addressed through the Member Voting Procedure set forth in Section 5.3. If a new county's request is approved through such procedure, such new membership will not become effective until:

If all of these requirements are not met until after November 15<sup>th</sup> then such membership shall become effective one year from the first day of the next fiscal year.

#### 5.5 Member County Withdrawal / Removal

##### a) Member County Withdrawal

Any member county, by resolution of its Board of Supervisors, may withdraw from Sioux Rivers Regional MHDS by giving written notice to the Governing Board no later than November 15 prior to the end of the fiscal year the withdrawal will be effective. Withdrawal shall not relieve the withdrawing member county of the obligation to pay its share of the expenses of Sioux Rivers Regional MHDS incurred during the fiscal year in which the withdrawal occurs and any other past due amounts. Services of Sioux Rivers Regional MHDS shall continue to be provided to the withdrawing member county until the date of withdrawal, so long as such member county remains in good standing as provided in Section 5.6 below. Upon withdrawal, member counties shall not be entitled to any repayment for funds, services or property expended on behalf of the Sioux Rivers Regional MHDS.

##### b) Member County Removal

If the Governing Board feels it is in the best interest of Sioux Rivers Regional MHDS for a member county to be removed from Sioux Rivers Regional MHDS, the Governing Board will pass a resolution to that effect and proceed under the Member Voting Procedure set forth in Section 5.3. Upon removal, member counties shall not be entitled to any repayment for funds, services or property expended on behalf of the Sioux Rivers Regional MHDS.

#### 5.6. Suspension of Voting Rights and Services

In the event any member county fails to make a payment to Sioux Rivers Regional MHDS as required under this Agreement for 30 days after such payment is requested in writing, then the member county will be deemed delinquent. During any period of delinquency, such member county shall not be entitled to the services of Sioux Rivers Regional MHDS, nor shall the member county be entitled to vote on matters coming before the Governing Board or the member counties unless such delinquency shall be waived by a unanimous vote of the remaining members of the Governing Board.

During any period of delinquency, the consumers of such member county will not suffer as a result.

## 6. STAFF

### 6.1 Selection Process for the Chief Executive Officer

The Sioux Rivers Regional MHDS Governing Board of Directors shall serve as the “regional administrative entity” and shall enter into an agreement with an individual to serve as a regional mental health & Disabilities services administrator, known as the Chief Executive Officer (“CEO”). While the CEO will be considered an employee of the Sioux Rivers Regional MHDS, this individual may be an employee of any member county for other purposes.

The Chief Executive Officer shall be the single point of accountability for Sioux Rivers Regional MHDS.

### 6.2 Performance Evaluation of the Chief Executive Office

The Governing Board shall conduct annual evaluations of the CEO. The Governing Board may conduct additional evaluations of the CEO at any time, as it deems necessary in a given situation. The Governing Board shall annually review the agreement with the CEO and shall operate under the terms of the agreement in the event an amendment or termination of the agreement is necessary in light of the CEO’s performance.

### 6.3 General functions and responsibilities of Chief Executive Officer and County staff

At the direction of the Governing Board, the CEO will (*add: develop a*) contract (*add: and job description to be used*) with member counties to staff the needs of Sioux Rivers Regional MHDS. The County MHDS Coordinator must have a bachelor’s or higher degree in a human services or administrative related field. In lieu of a degree, a coordinator may provide documentation of relevant management experience.

The Board of Supervisors in each of the counties that comprise the Sioux Rivers Regional MHDS shall employ an MHDS (*simplify: Service*) Coordinator in their respective county. The

Governance Board shall appoint (*change: contract with the county for*) that person to provide service coordination in said county (*add for clarification: with direct supervision provided by the CEO for those services*).

Initially the CPC Administrator from each county will function as the MHDS Service Coordinator (Service Coordinator) for their respective county. The Service Coordinators shall remain employees of their respective counties and shall report to their particular Board of Supervisors for non - MHDS Regional responsibilities. For functions related to the Region, (*change language for clarification: The Service Coordinators are employees of their respective counties for personnel, payroll and benefits purposes, but report to their particular Board of Supervisors only for business unrelated to Sioux Rivers Regional MHDS. For job duties performed on behalf of the region*) the Service Coordinators shall be accountable to the Sioux Rivers Regional MHDS CEO and Governing Board of Directors.

Within their respective county the MHDS Service Coordinators will have the following functions and responsibilities, (*add for clarification: among other assigned duties, which will be enumerated in the Service Coordinator job description*):

- a) Communications;
- b) Strategic Plan Development;
- c) Budget Planning and Financial Reports;
- d) Operations – personnel, benefits, space, training, etc.;
- e) Risk Management;
- f) Compliance and Reporting, Coordination with CEO;
- g) Service Processing, Authorization and Access;
- h) Provider Network- development, contracting, quality and performance;
- i) Payment of Claims;
- j) Quality Assurance;
- k) Appeals and Grievances;
- l) Information Technology; and
- m) Functional Assessment (although this may be a specialized function of 1 or more County MHDS Coordinators)

The Governing Board reserves the right to amend this list on its own motion without member approval as a non-substantive amendment as provided for in Section 8.1.

In addition to facilitating the functions above and acting as liaison to the Department of Human Services, while ascertaining regional compliance with applicable standards, the CEO (has) will develop(ed) (add: and will assure on-going compliance with) the Regional Mental Health and Disabilities Services (MHDS) Management Plan, (add: Policies & Procedures) which will define the type and method of service delivery to residents of the (simplify: Sioux Rivers Region) Sioux River Regional MHDS, with the cooperation and input of the County MHDS Coordinators (change for clarification: and will submit updates to this plan, when deemed necessary), to the Governing Board not later than December 31<sup>st</sup> (of each year. An Annual Service and Budget Plan will be formulated and submitted to the Governing Board for approval at their March meeting of each year. This plan will be submitted to DHS by April 1<sup>st</sup> annually. While these documents are approved by the Sioux Rivers Governing Board of Directors, they are effective only upon the subsequent approval of the Department of Human Services). and will submit the same to the Governing Board not later than December 31, 2013. The Regional MHDS Management Plan will be approved by the Governing Board of Directors and will become effective upon approval by the Department of Human Services.

## 7. REGION FINANCES

### 7.1 Management & Expenditure of Funding

#### a) General:

All MHDS funds received by the member counties for purposes related to Sioux Rivers Regional MHDS from any source, whether receipted from the state or generated within the region and/or counties shall be under the control of the Sioux Rivers Regional MHDS Governing Board (add: and said Governing Board shall determine the amount of mental health dollars levied by individual counties on behalf of the Region, up to the state levy cap, on an annual basis).

*(the following language will replace the remainder of 7.1 through 7.3)*

All MHDS funds shall be maintained in a common "Regional Fund", and will be administered by the fiscal agent. All services to eligible residents of the Region, regardless of which county they reside in, will be billed directly to the fiscal agent and will be paid from this fund. Each county will retain a local "Administrative Fund" into which mental health dollars will be deposited when levied and collected on behalf of the Region, before forwarding to the Fiscal Agent. Administrative costs incurred in the course of doing business in each member county, including personnel costs (Service Coordinators and support staff), shall be paid from the Administrative Fund in said county. Administrative costs incurred on behalf of the Region, whether by the CEO or

the Governing Board, may be paid from either a County's Administrative fund or the Regional Fund, as budgeted.

All MHDS funds, whether deposited in the Regional Fund or local Administrative Fund, shall be expended only for costs approved in the regional management plan, and in compliance with the law, direction from the Governing Board/CEO and other written policies of Sioux Rivers Regional MHDS.

The Governing Board shall appoint a fiscal agent annually, initially Woodbury County, for management of the Regional Fund, which shall be compensated for services to the Region at a rate established by the Regional Governing Board.

All funds and expenditures will receive management oversight from the Chief Executive Officer on behalf of the Regional Board.

b) Use of Savings for Reinvestment

Sioux Rivers Regional MHDS will make use of the budgeting process to devise a method for using surplus funds for the enhancement of existing services and the development of additional services, in order to benefit consumers throughout the region. In effecting the above, Sioux Rivers MHDS will comply with Chapters 12B and 12C of the Iowa Code for deposit and investment of Regional MHDS funds.

7.2 Initial and On-going Process for Funding Regional Operations & Common Regional Fund

On July 1, 2015, the member counties will retain an amount equal to 100% of the amount budgeted for FY 2016 for service coordination and administration, in their respective "Administrative Fund", as well as an amount adequate to cover budgeted services expenditures for July and August, 2015. All remaining funds will be transferred to the Sioux Rivers fiscal agent, Woodbury County, to be deposited into the "Regional Fund". In subsequent years, when the Counties levy the first half of their residential property taxes in the fall, all funds collected shall be forwarded to the fiscal agent, minus an amount equal to the annual budgeted amount for service coordination and administrative costs for that fiscal year. When the 2<sup>nd</sup> half of the county's taxes are levied in the spring, all funds collected shall be forwarded to the fiscal agent, minus 25% of the amount budgeted for service coordination and administration in the ensuing fiscal year, in order to meet administrative expenses in the first quarter of that year.

7.3 Process for Annual Independent Audit

Administrative fund accounts of Sioux Rivers Regional MHDS shall be audited annually by a certified public accountant certified in the state of Iowa, as selected by the respective County Board of Supervisors and in the case of common Regional funds, the Governing Board.

(Original language):

These funds shall be maintained in each individual county's Regional MHDS Fund and will be managed locally by the MHDS Coordinator, with oversight from the Chief Executive Officer on behalf of the Board. Methods for pooling where deemed necessary, management, and expenditure of the funding are further subject to the control of the CEO.

Funds in a member county's Regional MHDS Fund shall be expended only for costs approved in the regional management plan. In the event a member county's Regional MHDS Fund results in a negative equity position or negative ending cash balance in the operating budget for that member county's Regional MHDS Fund, each of the other member counties shall provide an amount necessary to cure the negative equity position or negative balance. *This circumstance is unique, constituting the only instance in which funds may be transferred from a County's Regional MHDS Fund to another County's MHDS fund.* The percentage of the total corrective amount needed that each other member county shall be required to contribute will be based on the member county's population as shown in the last completed Federal Census, for purposes of allocating a portion that each member county shall provide. Any amounts assessed under this subsection shall be repaid from the Regional MHDS Fund of the member county that had the negative equity position or negative ending cash balance in its operating budget through a transfer to the other member counties' Regional MHDS Funds at such times and in such amounts as recommended by the CEO and approved by the Governing Board to be prudent and feasible. Any repayments shall be apportioned amongst the member counties using the same formula as the original assessment.

With the approval of all member counties, the Governing Board shall set up a Joint Regional MHDS Account, which would allow for pooling of funds for a specific purpose, for instance a region-wide project designed to meet the needs of all residents regardless of their place of residence (crisis response beds, drop-in centers, etc.) and to cover administrative costs related to management of Sioux Rivers Regional MHDS. Funds in the Joint Regional MHDS Account shall be expended only for those purposes approved by a unanimous vote of the Governing Board. The Joint Regional MHDS Account shall be managed and administered by the CEO, in consultation with the Service Coordinators from each of the member counties, and in compliance with the law, direction from the Governing Board and other written policies of Sioux Rivers Regional MHDS.

The Governing Board shall appoint a fiscal agent annually, initially Woodbury County, for management of pooled funds.

c) **Administrative Funding and Resources:**

Administrative costs incurred in the course of doing business in each member county shall be paid from the MHDS Fund in that county. Administrative costs incurred on behalf of the Region shall be paid from the Joint Regional MHDS Account, and any funds or resources for administrative costs of Sioux Rivers Regional MHDS shall be collected utilizing the process for pooling regional funds.

d) **Use of Savings for Reinvestment**

Sioux Rivers Regional MHDS will make use of the budgeting process to devise a method for using surplus funds for the enhancement of existing services and the development of additional services, in order to benefit consumers throughout the region. In effecting the above, Sioux Rivers MHDS will comply with Chapters 12B and 12C of the Iowa Code for deposit and investment of Regional MHDS funds.

**7.2 Process for Initial Funding to Begin Operations**

On the Effective Date, the accrual fund balances in each member county's Fund 10 will come under the control of the Sioux Rivers Regional MHDS Governance Board, and will be deposited into a "Regional MHDS Fund" sited in each county.

Member Counties shall make an initial contribution to the Joint Regional Fund in an amount determined by a vote of the Sioux Rivers Regional MHDS Governing Board of Directors.

**7.3 Process for Annual Independent Audit**

Accounts of Sioux Rivers Regional MHDS shall be audited annually by a certified public accountant certified in the state of Iowa, as selected by the respective County Board of Supervisors and in the case of joint funds, the Governing Board.

**8. SCOPE & AMENDMENTS**

**8.1 Amendments**

The Governing Board is authorized to make non-substantive amendments to this Agreement with a two-thirds vote of board members present. All other amendments to this Agreement shall be conducted through the member approval process described in Section 5.3 and in compliance with Iowa Code Chapter 28E, which includes filing all amendments with the Iowa Secretary of State.

### 8.2 Entire Agreement

This Agreement represents the entire 28E Agreement of Sioux Rivers Regional MHDS.

### 8.3 Invalidity

If any one or more provisions of this Agreement are declared unconstitutional or contrary to law, the validity of the remainder hereof shall not be affected.

### 8.4 No Waiver

The waiver by any party of a breach or violation of any provisions of this Agreement shall not operate as or be construed to be a waiver of any subsequent breach.

Registrar shall maintain the books of the Issuer for the registration of ownership of the Notes for the payment of principal of and interest on the Notes as provided in this Resolution. All Notes shall be negotiable as provided in Article 8 of the Uniform Commercial Code subject to the provisions for registration and transfer contained in the Notes and in this Resolution.

(b) Transfer. The ownership of any Note may be transferred only upon the Registration Books kept for the registration and transfer of Notes and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). In the event that the address of the registered owner of a Note (other than a registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the Registration Books the information pertaining to the registered owner required above. Upon the transfer of any such Note, a new fully registered Note, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Note, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

(f) Non-Presentation of Notes. In the event any payment check representing payment of principal of or interest on the Notes is returned to the Paying Agent or if any note is not presented for payment of principal at the maturity or redemption date, if funds sufficient to pay such principal of or interest on Notes shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or payment of such Notes shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Notes who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Notes. The Paying Agent's obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent, shall surrender any remaining funds so held to the Issuer, whereupon any claim under this Resolution by the Owners of such interest or Notes of whatever nature shall be made upon the Issuer.

In case any outstanding Note shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Note of like tenor and amount as the Note so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note to Registrar, upon surrender of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Note has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with such other reasonable regulations as the Issuer or its agent may prescribe and paying such expenses as the Issuer may incur in connection therewith.

Section 10. Record Date. Payments of principal and interest, otherwise than upon full redemption, made in respect of any Note, shall be made to the registered holder thereof or to their designated Agent as the same appear on the books of the Registrar on the 15th day of the month preceding the payment date. All such payments shall fully discharge the obligations of the Issuer

in respect of such Notes to the extent of the payments so made. Payment of principal shall only be made upon surrender of the Note to the Paying Agent.

Section 11. Execution, Authentication and Delivery of the Notes. The Chairperson and Auditor shall execute and deliver the Notes to the Registrar, who shall authenticate the Notes and deliver the same to or upon order of the Purchaser. No Note shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Registrar shall duly endorse and execute on such Note a Certificate of Authentication substantially in the form of the Certificate herein set forth. Subject: Electronic Transaction Clearinghouse (ETC) 28E Amendment  
May, 6, 2015

Dear Supervisors,

On May 1<sup>st</sup>, 2015, the ISAC Board of Directors met in its capacity as the Electronic Transactions Clearinghouse (ETC) Board of Directors and approved an amendment and restatement of the current ETC 28E. Restating and amending the 28E helps to reflect the broader activities of the 28E and allows for flexibility to engage parties (Mental Health Regions) that are partners to our county members. Prior to Board approval, these changes were reviewed and approved by a 28E workgroup and the ETC Advisory Committee.

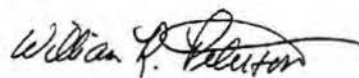

A copy of the amended and restated 28E is attached. Below is the summary of the changes for the current ETC 28E that were approved by the ETC 28E Board of Directors:

1. Sections 1 and 2: Whereas and Creation
  - a. 'Whereas' clauses and the Creation section were replaced with 'Purpose and Creation' section to enhance the readability. No substantive changes were made to the intent of the section.
  - b. Changed name from Electronic Transactions Clearinghouse to Iowa Counties Technology Services (ICTS) to reflect the broader activities of the 28E.
  - c. Minor language changes to also reflect the broader activities of the 28E.
2. Section 4: Powers of the Board - Minor changes to reflect the broader activities of the 28E.
3. Section 5: Advisory Committee - Language changes that removed the cap on the number of members and makes reference to the Advisory Committee By-Laws.
4. Section 7: Funding - Section was rewritten to allow additional flexibility in how fees would be determined.
5. Section 8: Additional Membership - Language was added to accommodate MHDS Regions and non-county entities.

The ETC 28E states that each county desiring to vote upon the amendment will need to do so by resolution and return to ISAC a certified copy of the resolution stating the county's vote within thirty (30) days of the date that the county received a copy of the proposed amendment. Any county choosing not to vote on the amendment within the thirty days will be considered to have approved the amendment. If the amendment receives a majority of the votes of all ETC members, it shall become effective ten (10) days following the date the vote is tabulated. Amendments will be filed and recorded as required by Iowa Code section 28E.8.

If you have any questions about the amendment, please contact Robin Harlow at [rharlow@iowacounties.org](mailto:rharlow@iowacounties.org), Kristi Harshbarger at [kharsbarger@iowacounties.org](mailto:kharsbarger@iowacounties.org), Bill Peterson at [bpeterson@iowacounties.org](mailto:bpeterson@iowacounties.org), or call us (515) 244-7181.

To – All County Boards of Supervisors  
From – IDDA, Buena Vista County, Calhoun County and Sac County  
Re – The named counties and IDDA cooperation in funding legal defense

The purpose of this letter is to update you on new developments regarding the lawsuit filed by the Des Moines Waterworks against three county boards of supervisors representing ten drainage districts. The lawsuit seeks to regulate drain tile as a “point source” of pollution and also alleges a number of other claims such as statutory nuisance, private nuisance, public nuisance, trespass, negligence and taking of property without just compensation. The lawsuit, if successful, would have massive legal and financial consequences on drainage districts and the landowners in those districts.

There has been some confusion about fundraising for the defense of the Des Moines Waterworks lawsuit and about what role IDDA will play in the process.

The IDDA board met with representative supervisors from Buena Vista and Sac Counties in April. Calhoun County, which is also party to the lawsuit, is already represented on the IDDA board. Everyone discussed the importance of being unified on this very important issue.

Here are the conclusions of that discussion-

- 1) Funds raised by IDDA will directly support the three counties legal defense as well as IDDA involvement in the effort.
- 2) IDDA will be participating in the case only upon the request of Belin McCormick Law Firm, the legal counsel retained by the three counties named in the suit.

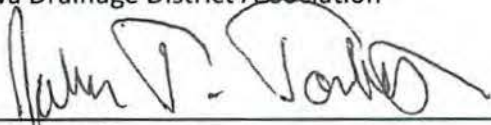

IDDA previously sent you a resolution and a request of a funding pledge of \$5,000/year for three years. The three counties named in the suit and the IDDA board ALL urge your county to adopt this resolution and provide necessary funding for the lawsuit. A new resolution is attached.

If any monies are unspent, they will be returned pro rata to those contributing to our defense fund.

We thank you in advance for consideration of this request.

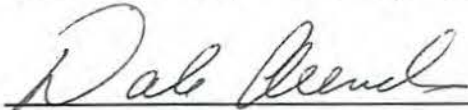

Sincerely,

Iowa Drainage District Association

## RESOLUTION

Whereas, the Des Moines Waterworks has filed suit under the Clean Water Act against drainage districts in Buena Vista, Calhoun and Sac Counties, and;

Whereas, the suit would seek to regulate agricultural practices which are currently exempt from regulation under the Clean Water Act, and;

Whereas, the suit, if successful would impose regulatory burdens upon drainage districts and the landowners in those districts, and;

Whereas, the suit, if successful, would require drainage district trustees to exercise powers that are not legally available to them under existing state law, and;

Whereas, the suit would irreparably harm drainage rights, operations and row crop production in this county, and;

Whereas, it is recognized that the suit, while filed against a small number of districts would, if successful, be applicable to all districts in Iowa and in other states, and;

Whereas, it is recognized that a strong legal defense must be made against the lawsuit, and;

Whereas, it would be in the best interests of Iowa counties to directly support the legal defense of the drainage districts in Buena Vista, Calhoun and Sac Counties and to have the Iowa Drainage District Association participate in the case if requested by Belin McCormick Law Firm, the attorneys retained by Buena Vista, Calhoun and Sac Counties, in order to represent the interests of all drainage districts in Iowa.

Now, therefore be it resolved that the \_\_\_\_\_ County Board of Supervisors pledges financial support to help fund the legal defense of the drainage districts in Buena Vista, Calhoun and Sac Counties; and it is understood that IDDA will disperse said monies as approved by the Defense Fund Committee as agreed to by the counties and IDDA.

Now, therefore be it further resolved that the financial support will be in the amount of \$5,000/year for three years payable to the IDDA litigation fund for the legal defense of the drainage districts in Buena Vista, Calhoun and Sac Counties. If the lawsuit is resolved in a prompt fashion and the second or third years of the financial support is not necessary, the IDDA board will notify the county that the additional financial support is not necessary.

Dated this \_\_\_\_ day of \_\_\_\_\_, 2015.

\_\_\_\_\_ County Board of Supervisors

\_\_\_\_\_  
Chairman of the Board
