Shane,

Everyone has reviewed the Job Description and the Contract. We had a tiny edit to make things consistent with the 28e. Hope you don't mind, I know this has been tedious. This is what we saw.

1. We would like 9 words added for clarification to the Contract.
 2. We would like 6 words added to the Job Description with the needed change in tense after that.
- Would that be possible?

Thank you Shane.

INFORMATION PROVIDED BY OTHERS: The Engineer shall be entitled to rely upon the accuracy and completeness of data provided by the Owner and shall not assume liability for such data. The Engineer does not practice law, insurance or financing, therefore, the Owner shall furnish all legal, accounting and insurance counseling services as may be necessary to protect themselves at any time during the Project. Accordingly, the Engineer cannot and does not warrant or represent that bids or negotiated prices will not vary from any estimate of costs or evaluation prepared or agreed to by the Engineer.

Unless payment in full is received by the Engineer within seven days of the date of the notice, the suspension shall take effect without further notice. In the event of a suspension of services, the Engineer shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services.

SHOP DRAWING REVIEW: If, as part of this Agreement Engineer reviews Contractor submittals, such as shop drawings, product data, samples and other data, as required by Engineer, these reviews and approvals shall be only for the limited purpose of checking for conformance with the design concept and the information expressed in the contract documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades or construction safety precautions, all of which are the sole responsibility of the Contractor. Engineer shall not be responsible for any deviations from the contract documents not brought to the attention of Engineer in writing by the contractor. Engineer shall not be required to review partial submissions or those for which submissions of correlated items have not been received.

CONSTRUCTION OBSERVATION: If, as part of this Agreement, Engineer is providing construction observation services, Engineer shall visit the project at appropriate intervals during construction to become generally familiar with the progress and quality of the Contractor's work and to determine if the work is proceeding in general accordance with the Contract Documents. Unless otherwise specified in this Agreement, the Owner has not retained the Engineer to make detailed inspections or to provide exhaustive or continuous project review and observation services. Engineer does not guarantee the performance of, and shall have no responsibility for, the acts or omissions of any contractor, subcontractor, supplier or any other entity furnishing materials or performing any work on the project.

The Owner and Engineer each shall require similar waivers from their contractors, consultants and agents.

ASSIGNMENT: The Owner and Engineer, respectively, bind themselves, their partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. Neither Owner nor Engineer shall assign this Agreement without the written consent of the other.

WITNESSETH

1. WHEREAS, Bank extended credit to Debtor on or about _____, 2014 in the sum of \$900,000.00 ("Original Loan") necessary to construct and equip a new 7,000 square foot eye care clinic on Lot 3 of the Pioneer Flats Addition in Sergeant Bluff, IA to be completed and operational by August 31, 2015; and

Uhl and Sarah E. Murray. This security shall include all future advances and other debts of Debtor to Woodbury County of any nature whatsoever whether now existing or hereafter incurred (hereinafter collectively "Woodbury County's Security Interest in Collateral"); and

5. WHEREAS, to induce Woodbury County to extend credit to Debtor, Debtor has secured payment of its indebtedness to Woodbury County by granting Woodbury County's Security Interest in Collateral which is junior and inferior in priority only to the security interest granted to Bank for the Original Loan; and

6. WHEREAS, Bank may, from time to time, extend additional advances of credit to Debtor which shall be inferior and junior to Woodbury County; and

7. WHEREAS, upon Debtor's request and in order to induce Woodbury County to extend credit to Debtor, Bank is willing to establish the following priority in the event of default, including but not limited to, foreclosure, sale or other disposition of or realization upon the collateral of any part thereof.

NOW, THEREFORE, IN CONSIDERATION OF THE PREMISES HEREIN ABOVE STATED, the representations, warranties, covenants and agreements herein contained and for other good and valuable consideration, the receipt of which are hereby acknowledged by the parties hereto, Bank, Woodbury County and Debtor agree as follows:

1. Bank's Priority Limitation. Bank's first priority in the Collateral described in paragraph 3 hereof shall be limited to the amount of \$900,000.00, accrued interest and costs as further set forth in paragraph 2 hereof or amount of indebtedness of Debtor under the Original Loan, whichever is less.

2. Distribution of Proceeds. Notwithstanding the aforesaid priority of Bank under its Security Agreement and/or Mortgage on Bank's Collateral, Bank hereby agrees that after default on Debtor's Original Loan to Bank, the proceeds from voluntary surrender, foreclosure, sale, liquidation or other disposition of or realization upon Bank's Collateral shall be applied in the following manner:

- A. The payment of all costs and expenses of Bank and Woodbury County, including reasonable attorney fees in the event of legal action relative to a foreclosure, sale, liquidation or other disposition or realization upon the Bank's Collateral incurred by either party or both parties initiating and conducting such legal action, provided that Woodbury County's costs shall not be reimbursed from the Bank's Collateral without the prior consent of Bank or the payment to Bank of the amount due in Section B. below.
- B. The payment of an amount from the Bank's Collateral to Bank in the sum of \$900,000.00 (Original Loan), and interest thereon at the rate set out in Bank's promissory note, or the amount of the indebtedness of Debtor owed to Bank, whichever is lesser, realized from the sale of Bank's Collateral.
- C. The payment of an amount to Woodbury County in the sum of \$100,000.00 or the amount of the indebtedness of Debtor owed to Woodbury County, including unreimbursed costs, the unpaid principal balance, and interest thereon at the rate set out in Woodbury County's promissory note, whichever is lesser.
- D. Payment to Bank of the amount equal to the indebtedness of Debtor to Bank.
- E. Payment to any party, including, but not limited to, Debtor, entitled to any surplus remaining.

The effectiveness and enforceability of this provision and this agreement are conditioned on the existence and continuation of valid enforceable and perfected liens and security interests in favor of Bank or Woodbury County, as the case may be.

3. Default Under Loan Documents. Debtor agrees that any default or event of default which may occur under any loan documents for Woodbury County and/or Bank shall also be a default under the loan documents of the other lender.

4. Notification and Necessary Consent. Bank and Woodbury County shall promptly give written notice to the other of the occurrence and/or continuance of any default or event of default by Debtor under any agreement, instrument or document to which Debtor is a party. Bank and Woodbury County shall each be entitled to receive and retain payment properly paid by Debtor pursuant to the loan documents until notification of default is given by Bank or Woodbury County to the other. Bank and Woodbury County agree that neither shall amend, increase, extend, renew, alter, modify nor receive additional collateral or guarantees

with the respect to the original note of Bank or Woodbury County's original note without written consent of the other party. After notification, all proceeds received must be distributed pursuant to paragraph 2 hereof unless otherwise agreed in writing by Bank and Woodbury County. The Bank and Woodbury County agree to mutually establish an escrow account for deposit and accounting of the proceeds.

5. Financial Data. Debtor agrees that Bank and Woodbury County may provide to one another financial data provided by Debtor or otherwise obtained including, but not limited to, financial statements.

6. Cure. Bank and Woodbury County agree that, with respect to the indebtedness, obligations and liabilities, now and hereafter arising, of Debtor to either of them, Bank or Woodbury County shall have the same right to cure any default by payment or performance of such obligations as shall be afforded to Debtor under any agreement, instrument, or document to which Debtor and Bank or Debtor and Woodbury County are parties.

7. Successor and Assigns Amendment. This agreement shall be binding upon and inure to the benefit of Bank, Woodbury County and Debtor, their successors and assigns. This is a continuing agreement and may not be revoked or terminated or modified in any way except in writing executed by all the parties hereto.

8. Termination. This agreement and the relative lien priorities herein contained shall be continued in full force and effect until the payment in full of all indebtedness, obligations and liabilities now or hereafter arising of Debtor owed to Bank and Woodbury County.

3. Representations and Warranties of Mortgagor. Mortgagor requests, warrants and covenants to Mortgagee that (i) Mortgagor holds clear title to the Mortgaged Property and title in fee simple in the Land; (ii) Mortgagor has the right, power and authority to execute this Mortgage and to mortgage, and grant a security interest in the Mortgaged Property; (iii) the Mortgaged Property is free and clear of all liens and encumbrances, except for real estate taxes not yet delinquent and except as otherwise stated in subparagraph 1a. herein; (iv) Mortgagor will warrant and defend title to the Mortgaged Property and the lien and priority of this Mortgage against all claims and demands of all persons, whether now existing or hereafter arising; and (v) all buildings and improvements now or hereafter located on the Land are, or will be, located entirely within the boundaries of the Land.

4. Payment and Performance of the Obligations. Mortgagor shall not create, incur or suffer to exist any lien, encumbrance, security interest or charge on the Mortgaged Property or any part thereof which might or could be held to be equal or prior to the lien of this Mortgage, other than the lien of current real estate taxes and installments of special assessments with respect to which no penalty is yet payable. Mortgagor shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Mortgaged Property.

7. Compliance with Laws. Mortgagor shall comply with all present and future statutes, laws, rules, orders, regulations and ordinances affecting the Mortgaged Property, any part thereof or the use thereof.

8. Permitted Contests. Mortgagor shall not be required to (i) pay any tax, assessment or other charge referred to in paragraph 5 hereof; (ii) discharge or remove any lien, encumbrance or charge referred to in paragraph 6 hereof, or (iii) comply with any statute, law, rule, regulation or ordinance referred to in paragraph 7 hereof, so long as mortgagors shall contest, in good faith, the existence, amount or the validity thereof, the amount of damages caused thereby or the extent of Mortgagor's liability therefor, by appropriate proceedings which shall operate during the pendency thereof to prevent (A) the collection of, or other realization upon the tax, assessment, charge or lien, encumbrances or charge so contested, (B) the sale, forfeiture or loss of the Mortgaged Property or any part thereof, and (C) any interference with the use or occupancy of the Mortgaged Property or any part thereof. 9. Care of Property. Mortgagor shall take good care of the Mortgaged Property; shall keep the Buildings and Personal Property now or later placed upon the Mortgaged Property in good and reasonable repair and shall not injure, destroy or remove either the Buildings or Personal Property during the term of this Mortgage. Mortgagor shall not make any material alteration to the Mortgaged Property without the prior written consent of Mortgagee.

10. Insurance.

a. Risks to be Insured. Mortgagor, at its sole cost and expense, shall maintain insurance on the Buildings and other improvements now existing or hereafter erected on the Land and on the Personal Property included in the Mortgaged Property against loss by fire, extended coverage perils and such other hazards as Mortgagee may from time to time require, such insurance to have a "Replacement Cost" endorsement attached thereto, with the amount of the insurance at least equal to the balance of the Obligations. At Mortgagor's option, such policy may have a coinsurance clause of not less than 90% of replacement cost provided the policy contains an appropriate form of cost escalation endorsement. Mortgagor will at its sole cost and expense, from time to time, and at any time at the request of Mortgagee, provide Mortgagee with evidence satisfactory to Mortgagee of the replacement cost of Mortgaged Property. Mortgagor will maintain such other insurance as Mortgagee may reasonably require.

b. Policy Provisions. All insurance policies and renewals thereof maintained by Mortgagor pursuant to this Mortgage shall be written by an insurance carrier satisfactory to Mortgagee, be payable to the parties as their interest may appear, contain a standard or union-type loss payable clause in favor of Mortgagee, contain an agreement of the insurer that it will not amend, modify or cancel the policy except after thirty (30) days prior written notice to Mortgagee, and be reasonably satisfactory to Mortgagee in all other respects.

c. Delivery of Policy or Certificate. If requested by Mortgagee, Mortgagor will deliver to Mortgagee original policies satisfactory to Mortgagee evidencing the insurance which is required under this Mortgage, and Mortgagor shall promptly furnish to Mortgagee all renewal notices and, upon request of Mortgagee, evidence of payment thereof. At least ten (10) days prior to the expiration date of a required policy, Mortgagor shall deliver to Mortgagee a renewal policy in form satisfactory to Mortgagee.

d. Assignment of Policy. If the Mortgaged Property is sold at a foreclosure sale or if Mortgagee shall acquire title to the Mortgaged Property, Mortgagee shall have all of the right, title and interest of Mortgagor in and to any insurance policies required hereunder, and the unearned premiums thereon, and in and to the proceeds thereof resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

e. Notice of Damage or Destruction; Adjusting Loss. If the Mortgaged Property and any part thereof shall be damaged or destroyed by fire or other casualty, Mortgagor will, within five (5) calendar days after the occurrence of such damage or destruction, give written notice thereof to the insurance carrier and to Mortgagee and will not adjust any damage or loss which is estimated by Mortgagor in good faith not to exceed \$25,000.00 unless Mortgagee shall have joined in or concurred with such adjustment; but if there has been no adjustment of any such damage or loss within four (4) months from the date of occurrence thereof and if an Event of Default shall exist at the end of such four (4) month period or at any time thereafter, Mortgagee may alone make proof of loss, adjust and compromise any claim under the policies, and appear in and prosecute any action arising from such policies. In connection therewith, Mortgagor does hereby irrevocably authorize, empower and appoint Mortgagee as attorney-in-fact for Mortgagor (which appointment is coupled with an interest) to do any and all of the foregoing in the name and on behalf of Mortgagor.

f. Application of Insurance Proceeds. All sums paid under any insurance policy required by this Mortgage shall be paid to Mortgagee, which shall, at its option, apply the same (after first deducting therefrom Mortgagee's expenses incurred in collecting the same including but not limited to reasonable attorney's fees) to the reduction of the Obligations or to the payment of the restoration, repair, replacement or rebuilding of Mortgaged Property that is damaged or destroyed in such manner as Mortgagee shall determine and secondly to the reduction of the Obligations. Any application of insurance proceeds to principal of the Obligations shall not extend or postpone the due date of the installment payable under the Obligations or change the amount of such installments.

g. Reimbursement of Mortgagee's Expenses. Mortgagor shall promptly reimburse Mortgagee upon demand for all of Mortgagee's expenses incurred in connection with the collection of the insurance proceeds, including but not limited to reasonable attorneys fees, and all such expenses shall be additional amounts secured by this Mortgage.

11. Inspection. Mortgagee, and its agents, shall have the right at all reasonable times, to enter upon the Mortgaged Property for the purpose of inspecting the Mortgaged Property or any part thereof. Mortgagee shall, however, have no duty to make such inspection. Any inspection of the Mortgaged Property by Mortgagee shall be entirely for its benefit and Mortgagor shall in no way rely or claim reliance thereon.

12. Protection of Mortgagee's Security. Subject to the rights of Mortgagor under paragraph 8 hereof, if Mortgagor fails to perform any of the covenants and agreements contained in this Mortgage or if any action or proceeding is commenced which affects the Mortgaged Property or the interest of the Mortgagee therein, or the title thereto, then Mortgagee, at Mortgagee's option, may perform such covenants and agreements, defend against or investigate such action or proceeding, and take such other action as Mortgagee deems necessary to protect Mortgagee's interest. Any amounts or expenses disbursed or incurred by Mortgagee in good faith pursuant to this paragraph 12 with interest thereon at the rate of 15% per annum, shall become an Obligation of Mortgagor secured by this Mortgage. Such amounts advanced or disbursed by Mortgagee hereunder shall be immediately due and payable by Mortgagor unless Mortgagor and Mortgagee agree in writing to other terms of repayment. Mortgagee shall, at its option, be subrogated to the lien of any mortgage or other lien discharged in whole or in part by the Obligations or by Mortgagee under the provisions hereof, and any such subrogation rights shall be additional and cumulative security for this Mortgage. Nothing contained in this paragraph shall require Mortgagee to incur any expense or do any act hereunder, and Mortgagee shall not be liable to Mortgagor for any damage or claims arising out of action taken by Mortgagee pursuant to this paragraph.

13. Condemnation. Mortgagor shall give Mortgagee prompt notice of any such action, actual or threatened, in condemnation or eminent domain and hereby assign, transfer and set over to Mortgagee the entire proceeds of any award or claim for damages for all or any part of the Mortgaged Property taken or damaged under the power of eminent domain or condemnation. Mortgagee is hereby authorized to intervene in any such action in the name of Mortgagor, to compromise and settle any such action or claim, and to collect and receive from the condemning authorities and give proper receipts and acquittances for such proceeds. Any expenses incurred by Mortgagee in intervening in such action or compromising and settling such action or claim, or collecting such proceeds shall be reimbursed to Mortgagee first out of the proceeds. The remaining proceeds or any part thereof shall be applied to reduction of that portion of the Obligations then most remotely to be paid, whether due or not, or to the restoration or repair of the Mortgaged Property, the choice of application to be solely at the discretion of Mortgagee.

14. Fixture Filing. From the date of its recording, this Mortgage shall be effective as a financing statement filed as a fixture filing with respect to the Personal Property and for this purpose the name and address of the debtor is the name and address of Mortgagor as set forth in paragraph 20 herein and the name and address of the secured party is the name and address of the Mortgagee as set forth in paragraph 20 herein.

15. Events of Default. Each of the following occurrences shall constitute an event of default hereunder ("Event of Default"):

a. Mortgagor shall default in the due observance or performance of or breach its agreement contained in paragraph 4 hereof or shall default in the due observance or performance of or breach any other covenant, condition or agreement on its part to be observed or performed pursuant to the terms of this Mortgage.

b. Mortgagor shall make an assignment for the benefits of its creditors, or a petition shall be filed by or against Mortgagor under the United States Bankruptcy Code or Mortgagor shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of a material part of its properties or of the Mortgaged Property or shall not, within thirty (30) days after the appointment of a trustee, receiver or liquidator of any material part of its properties or of the Mortgaged Property, have such appointment vacated.

c. A judgment, writ or warrant of attachment or execution, or similar process shall be entered and become a lien on or be issued or levied against the Mortgaged Property or any part thereof which is not released, vacated or fully bonded within thirty (30) days after its entry, issue or levy.

d. An event of default, however defined, shall occur under any other mortgage, assignment or other security document constituting a lien on the Mortgaged Property or any part thereof.

e. In the event of the sale or transfer of all or any part of the property, or any interest therein or beneficial interest to the Mortgagor, the entire then existing balance of the indebtedness secured hereby shall, at the option of the Mortgagee, become due and payable in full immediately.

16. Acceleration; Foreclosure. Upon the occurrence of any Event of Default and at any time thereafter while such Event of Default exists, Mortgagee may, at its option, after such notice as may be required by law, exercise one or more of the following rights and remedies (and any other rights and remedies available to it):

a. Mortgagee may declare immediately due and payable all Obligations secured by this Mortgage, and the same shall thereupon be immediately due and payable, without further notice or demand.

b. Mortgagee shall have and may exercise with respect to the Personal Property, all the rights and remedies accorded upon default to a secured party under the Iowa Uniform Commercial Code. If notice to Mortgagor of intended disposition of such property is required by law in a particular instance, such notice shall be deemed commercially reasonable if given to Mortgagor at least ten (10) days prior to the date of intended disposition.

c. Mortgagee may (and is hereby authorized and empowered to) foreclose this Mortgage in accordance with the law of the State of Iowa, and at any time after the commencement of an action in foreclosure, or during the period of redemption, the court having jurisdiction of the case shall at the request of the Mortgagee appoint a receiver to take immediate possession of the Mortgaged Property and of the Revenues and Income accruing therefrom, and to rent or cultivate the same as he may deem best for the interest of all parties concerned, and such receiver shall be liable to account to Mortgagor only for the net profits, after application of rents, issues and profits upon the costs and expenses of the receivership and foreclosure and upon the Obligations.

17. Redemption. It is agreed that if this Mortgage covers less than ten (10) acres of land, and in the event of the foreclosure of this Mortgage and sale of the property by sheriff's sale in such foreclosure proceedings, the time of one year for redemption from said sale provided by the statutes of the State of Iowa shall be reduced to six (6) months provided the Mortgagee, in such action files an election to waive any deficiency judgment against Mortgagor which may arise out of the foreclosure proceedings; all to be consistent with provisions of Chapter 628 of the Iowa Code. If the redemption period is so reduced, for the first three (3) months after sale such right of redemption shall be exclusive to the Mortgagor, and the time periods in Sections 628.5, 628.15 and 628.16 of the Iowa Code shall be reduced to four (4) months.

It is further agreed that the period of redemption after a foreclosure of this Mortgage shall be reduced to sixty (60) days if all of the three following contingencies develop: (1) The real estate is less than ten (10) acres in size; (2) the Court finds affirmatively that the said real estate has been abandoned by the owners and those persons personally liable under this Mortgage at the time of such foreclosure; and (3) Mortgagee in such action files an election to waive any deficiency judgment against Mortgagor or its successors in interest in such action. If the redemption period is so reduced, Mortgagor or its successors in interest or the owner shall have the exclusive right to redeem for the first thirty (30) days after such sale, and the time provided for redemption by creditors as provided in Sections 628.5, 628.15 and 628.16

of the Iowa Code shall be reduced to forty (40) days. Entry of appearance by pleading or docket entry by or on behalf of Mortgagor shall be a presumption that the property is not abandoned. Any such redemption period shall be consistent with all of the provisions of Chapter 628 of the Iowa Code. This paragraph shall not be construed to limit or otherwise affect any other redemption provisions contained in Chapter 628 of the Iowa Code.

18. Attorneys' Fees. Mortgagor shall pay on demand all costs and expenses incurred by Mortgagee in enforcing or protecting its rights and remedies hereunder, including, but not limited to, reasonable attorneys' fees and legal expenses.

19. Forbearance not a Waiver, Rights and Remedies Cumulative. No delay by Mortgagee in exercising any right or remedy provided herein or otherwise afforded by law or equity shall be deemed a waiver of or preclude the exercise of such right or remedy, and no waiver by Mortgagee of any particular provisions of this Mortgage shall be deemed effective unless in writing signed by Mortgagee. All such rights and remedies provided for herein or which Mortgagee or the holder of the Obligations may have otherwise, at law or in equity, shall be distinct, separate and cumulative and may be exercised concurrently, independently or successively in any order whatsoever, and as often as the occasion therefor arises.

20. Notices. All notices required to be given hereunder shall be in writing and deemed given when personally delivered or deposited in the United States mail, postage prepaid, sent certified or registered, addressed as follows:

a. If to Mortgagor, to:

Cyclone Operations, LLC
4601 Grayhawk Ridge Drive

Woodbury County, Iowa
620 Douglas Street, County Courthouse
Sioux City, IA 51101

or to such other address or person as hereafter designated in writing by the applicable party in the manner provided in this paragraph for the giving of notices.

21. Severability. In the event any portion of this Mortgage shall, for any reason, be held to be invalid, illegal or unenforceable in whole or in part, the remaining provisions shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Mortgage is invalid, illegal, or unenforceable as written, but that by limiting such provision it would become valid, legal and enforceable then such provision shall be deemed to be written, construed and enforced as so limited.

22. Further Assurances. At any time and from time to time until payment in full of the Obligations, Mortgagor will, at the request of Mortgagee, promptly execute and deliver to Mortgagee such additional instruments as may be reasonably required to further evidence the lien of this Mortgage and to further protect the security interest of Mortgagee with respect to the Mortgaged Property, including, but not limited to, additional security agreements, financing statements and continuation statements. Any expenses incurred by Mortgagee in connection with the recordation of any such instruments shall become additional Obligations of Mortgagor secured by this Mortgage. Such amounts shall be immediately due and payable by Mortgagor to Mortgagee.

23. Successors and Assigns bound; Number; Gender; Agents; Captions. The rights, covenants and agreements contained herein shall be binding upon and inure to the benefit of the respective legal representatives, successors and assigns of the parties. Words and phrases contained herein, including acknowledgment hereof, shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender according to the contexts. The captions and headings of the paragraphs of this Mortgage are for convenience only and are not to be used to interpret or define the provisions hereof.

24. Governing Law. This Mortgage shall be governed by and construed in accordance with the laws of the State of Iowa.

25. Release of Rights of Dower, Homestead and Distributive Share. Each of the undersigned hereby relinquishes all rights of dower, homestead and distributive share in and to the Mortgaged Property and waives all rights of exemption as to any of the Mortgaged Property.

1. REPRESENTATIONS AND AGREEMENTS. Debtor represents and warrants to Secured Party, and agrees that:

a. If a corporation or other business entity, Debtor is duly organized, existing, and is qualified and in good standing in all states in which it is doing business, and the execution, delivery and performance of this Security Agreement are within Debtor's powers, have been duly authorized, and are not in contravention of law or the terms of Debtor's charter, bylaws if any, or any indenture, agreement or undertaking to which Debtor is a party, or by which it is bound. If an individual, Debtor is of legal age. Debtor will not change his, her or its name, or identity unless written notice is given in advance to Secured Party.

b. Debtor shall maintain insurance upon the Collateral which is tangible property against all customarily insured risks for the full insurable value thereof (and furnish Secured Party with duplicate policies if Secured Party so requests), loss to be payable to Debtor and Secured Party as their respective interests may appear. The Secured Party's interest shall be protected in accordance with a standard or union-type loss payable clause. In the event of any loss or damage to any Collateral, Debtor will give Secured Party written notice thereof forthwith, promptly file proof of loss with the appropriate insurer and take all other steps necessary or appropriate to collect such insurance. If Secured Party so elects, Secured Party shall have full authority to collect all such insurance and to apply any amount collected to amounts owed hereunder, whether or not matured. Secured Party shall have no liability for any loss which may occur by reason of the omission or the lack of coverage of any such insurance.

c. Debtor shall at all times maintain Collateral which is tangible property in good condition and repair, defend at Debtor's expense all Collateral from all adverse claims and shall not use any of the Collateral for any illegal purpose.

d. Debtor shall (i) keep such books and records pertaining to the Collateral and to Debtor's business operations as shall be satisfactory to Secured Party; (ii) permit representatives of Secured Party at any time to inspect the Collateral and inspect and make abstracts from Debtor's books and records; and (iii) furnish to Secured Party such information and reports regarding the Collateral and Debtor's business operations and its financial status, as Secured Party may from time to time reasonably require. SECURED PARTY IS HEREBY AUTHORIZED TO REQUEST CONFIRMATION OF SUCH INFORMATION OR ADDITIONAL INFORMATION OF ANY KIND WHATSOEVER DIRECTLY FROM ANY THIRD PARTY HAVING DEALINGS WITH DEBTOR. SECURED PARTY IS FURTHER IRREVOCABLY AUTHORIZED TO ENTER DEBTOR'S PREMISES TO INSPECT THE COLLATERAL.

e. Debtor shall give such notice in writing (including but not limited to notice of assignment or notice to pay Secured Party directly) as Secured Party may require at any time to any or all account debtors, with respect to accounts which are Collateral, and, if Secured Party shall so request, deliver to Secured Party copies of any and all such notices.

f. Debtor shall promptly transmit to Secured Party all information that it may have or receive with respect to Collateral or with respect to any account debtor which might in any way affect the value of the Collateral or Secured Party's rights or remedies with respect thereto.

g. Unless in default under this Security Agreement, Debtor may sell inventory in the ordinary course of business and consume any raw materials or supplies, the use and consumption of which are necessary to carry on Debtor's business. Debtor shall not otherwise consume, assign or transfer any Collateral without prior written consent of Secured Party. The provision of this Security Agreement granting a security interest in proceeds shall not be construed to mean that Secured Party consents to any sale or disposition of any Collateral.

h. Debtor shall pay when due all taxes, assessments, and any other governmental levy which is, or may be, levied against any Collateral, and shall otherwise maintain the Collateral free of all liens, charges, and encumbrances (except liens set forth herein and the security interest created hereby)

i. Debtor shall not store any Collateral with any warehouseman without Secured Party's consent.

j. Debtor shall promptly, unless Secured Party shall waive such requirement in writing, deliver to Secured Party all certificates of title, if any, (or any other documents evidencing title) to all Collateral with such proper notations, assignments or endorsements as may be necessary or appropriate to create, preserve or perfect Secured Party's security interest in the Collateral.

k. Debtor shall, at its cost and expense, execute, deliver, file or record (in such manner and form as Secured Party may require) any assignment, financing statement or other paper that may be necessary or desirable, or that Secured Party may request, in order to create, preserve or perfect any security interest granted hereby or to enable Secured Party to exercise and enforce its rights hereunder or under any Collateral. Secured Party is further granted the power, coupled with an interest, to sign on behalf of Debtor as attorney-in-fact and to file one or more financing statements under the Uniform Commercial Code naming Debtor as debtor and Secured Party as secured party and describing the Collateral herein specified.

2. EXPENSES. Debtor upon demand shall pay to Secured Party forthwith the amounts of all expenses, including reasonable attorneys' fees and legal expenses, incurred by Secured Party in seeking to collect any sums secured hereunder or to enforce any rights in the Collateral. Such amounts shall be secured hereby, and if not paid on demand shall bear interest at the highest rate payable on any of the Obligations.

3. COLLECTION AUTHORITY ON ACCOUNTS. Debtor hereby irrevocably appoints Secured Party its true and lawful attorney, with full power of substitution, in Secured Party's name, Debtor's name or otherwise, for Secured Party's sole use and benefit, but at Debtor's cost and expense, to exercise, if Secured Party shall elect after an event of default has occurred (whether or not Secured Party then elects to exercise any other of its rights arising upon default) all or any of the following powers with respect to all or any accounts which are Collateral:

a. To execute on Debtor's behalf assignments of any or all accounts which are Collateral to Secured Party, and to notify account debtors thereunder to make payments directly to Secured Party;

b. To demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due upon or by virtue thereof;

c. To receive, take, endorse, assign and deliver any and all checks, notes, drafts, documents and other negotiable and non-negotiable instruments and chattel paper taken or received by Secured Party in connection therewith;

d. To settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

e. To sell, transfer, assign or otherwise deal in or with the same or the proceeds thereof or the relative goods, as fully and effectually as if Secured Party were the absolute owner thereof; and

f. To extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto.

Any funds collected pursuant to such powers shall be applied to the payment of the Obligations. The exercise by Secured Party of, or failure to so exercise, any of the foregoing authority, shall in no manner affect Debtor's liability to Secured Party on any of the Obligations. Secured Party shall be under no obligation or duty to exercise any of the powers hereby conferred upon it and it shall be without liability for any act or failure to act in connection with the collection of or the preservation of any rights under any such accounts. Secured Party shall not be bound to take any steps necessary to preserve rights in any instrument or chattel paper against prior parties.

4. SET OFF. In the event of default hereunder, Secured Party, at its option at any time, and without notice to Debtor, may apply against the Obligations any property of Debtor held by Secured Party. As additional security for payment of the Obligations, Debtor hereby grants to Secured Party a security interest in any funds or property of Debtor now or hereafter in possession of Secured Party and with respect thereto Secured Party will have all rights and remedies herein specified.

5. WAIVER. Debtor waives protest, notice of dishonor, and presentment of all commercial paper at any time held by Secured Party on which Debtor is in any way liable, notice of non-payment at maturity of any account or chattel paper, and notice of any action taken by Secured Party except where notice is expressly required by this Security Agreement or cannot by law be waived.

6. DEFAULT. Debtor will be in default upon the occurrence of any of the following events: (a) failure to make the payment, when due and payable of any of the Obligations, (b) failure of the performance of any obligation or covenant contained or referred to herein, (c) any warranty, representation or statement made or furnished to Secured Party by or on behalf of Debtor proves to have been false in any material respect when made or furnished (d) any event which results in the acceleration of the maturity of the indebtedness of Debtor or any guarantor or co-maker of any of the Obligations to others under any indenture, agreement or undertaking; (e) loss, theft, damage, destruction or encumbrance to, or of, the Collateral or the making of any levy, seizure of attachment thereof or thereon; (f) death of, dissolution of, termination of existence of, insolvency of, business failure of, appointment of a receiver of any part of the property of, assignment for the benefit of creditors by, or the commencement of any proceeding under any bankruptcy or insolvency law by or against, Debtor or any guarantor or co-maker of any of the Obligations; (g) the occurrence or nonoccurrence of any event or events which causes the Secured Party, in good faith, to deem itself insecure for any reason whatsoever.

In any such event Secured Party may at its option declare any or all of the Obligations to be due and payable and such sums shall then be due and payable immediately, without notice or demand.

7. RIGHTS AND REMEDIES ON DEFAULT. After the occurrence of any event of default, Secured Party may exercise at any time and from time to time any rights and remedies available to it under applicable law, including but not limited to the right to sell, lease or otherwise dispose of the Collateral and the right to take possession of the Collateral. FOR THAT PURPOSE SECURED PARTY MAY ENTER UPON ANY PREMISES ON WHICH THE COLLATERAL OR ANY PART THEREOF MAY BE SITUATED AND REMOVE IT. Secured Party may require Debtor to assemble the Collateral and make it available at a place to be designated by Secured Party which is reasonably convenient to both parties. If at the time of repossession any of the Collateral contains other personal property not included in the Collateral, Secured Party may take such personal property into custody and store it at the risk and expense of Debtor. Debtor agrees to notify Secured Party within forty-eight (48) hours after repossession of the Collateral of any such other personal property claimed, and failure to do so will release Secured Party and its representatives from any liability for loss or damage thereto. Any notice of intended disposition of any of the Collateral required by law shall be deemed reasonable if such notice is given at least ten (10) days before the time of such disposition. Any proceeds of any disposition by Secured Party of any of the Collateral may be applied by it to the payment of expenses in connection with the Collateral, including but not limited to repossession expenses and reasonable attorneys' fees and legal expenses, and any balance of such proceeds shall be then applied against the Obligations and other amounts secured hereby in such order of application as Secured Party may elect.

8. GENERAL

a. Secured Party may, as its option, pay any tax, assessment, or other Governmental levy, or insurance premium or any other expense or charge relating to Collateral which is payable by Debtor (and not timely paid by it), and further may pay any filing or recording fees. Any amount or amounts so paid, with interest thereon at the highest rate payable on any of the obligations (from the date of payment until repaid) shall be secured hereby and shall be payable upon demand.

b. Secured Party shall not be deemed to have waived any of its rights hereunder or under any other agreement, instrument or paper signed by Debtor unless such waiver be in writing and signed by Secured Party. No delay or omission on the part of Secured Party in exercising any right shall operate as a waiver of such right or any other right. A waiver on any one occasion shall not be construed as a bar to, or waiver of, any right or remedy on any future occasion.

c. Any notice, if mailed, shall be deemed given when mailed postage prepaid, addressed to Debtor at its address shown above, or at any other address of Debtor appearing on Secured Party's records.

d. Covenants, representations, warranties and agreements herein set forth shall be binding upon Debtor, its legal representatives, successors and assigns. This Security Agreement may be assigned by Secured Party and all rights and privileges of Secured Party under this Security Agreement shall then inure to the benefit of its successors and assigns.

e. If any provision of this Security Agreement shall be for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof, but this Security Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein.

f. If Debtor is a guarantor, endorser, co-maker, or an accommodation party with respect to the Obligations, Debtor hereby waives the benefit of any and all defenses and claims of damage which are dependent upon Debtor's character as a party other than the maker. Each party to any of the Obligations hereby consents to and waives notice of (1) any and all extensions (whether or not for longer than the original period) granted as to the time of payment of any or all of the Obligations, and (2) any renewal of any or all of the Obligations.

g. This Security Agreement and all rights and duties hereunder, including but not limited to all matters of construction, validity, and performance, shall be governed by the law of Iowa.

h. Unless otherwise defined or the context otherwise requires, all terms used herein which are defined in the Iowa Uniform Commercial Code shall have the meanings therein stated. The rights and remedies herein conferred upon Secured Party shall be in addition to, and not in substitution or in derogation of, rights and remedies conferred by the Iowa Uniform Commercial Code and other applicable law.

i. All words and phrases used herein shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender, as the context may require.

j. Captions are inserted for convenience only and shall not be taken as altering the text.

k. Debtor authorizes the Secured Party to file financing statements without a signature.

l. Debtor represents that it will not at any time change its name, location or organizational structure without notice to and consent from the Secured Party.

WORDING FOR AGENDA ITEM: Information on Sheriff and CF Industries routing of employees for public safety concern, economic development, and fiscal responsibility.

EXECUTIVE SUMMARY: In order to mitigate potential issues, the Sheriff's Department employed overtime deputies in order to help route traffic and a discussion should ensue to gauge metrics and quantifiable data as well as see about the long-term financial sustainability of a \$18,422 per month.

BACKGROUND: Traffic reportedly took longer than an hour coming and going from CFI. The Sheriff's Department has provided two initial updates, and the County Engineer reported that there had been improvements from a public safety perspective since the inception of them taking over. Furthermore, rerouting and utilizing a combination of personnel and yield signs along with an increased parking lot speed limit seems to have helped. Knowing the new routes and key "lessons learned" would be helpful for the Board.

FINANCIAL IMPACT: None

RECOMMENDATION: Please have the following departments represented: Sheriff, Budget Analyst, County Engineer, and an invited representative from CF Industries.

2015 General Voting Frequently Asked Questions

On what issues or for which candidates do counties/parishes/boroughs vote?

Counties vote on resolutions that set NACo legislative and association policy for the coming year. Delegates also elect NACo officers for the coming year. The position of second vice president is usually the one position that is contested.

How can my county vote?

A county must be a NACo member “in good standing” in order to vote. This means your county’s dues for 2015 must be paid before the voting occurs. **Also, the county must have at least one paid registration for the annual conference and have proper credentials.**

What are credentials?

Credentials attest to a county’s eligibility to vote. Credentials contain information on the number of votes a county is eligible to cast, as well as the identity of the delegate that is authorized to cast the county’s vote.

How is the credentials form distributed?

The form is mailed to the clerk and chief elected official of member counties so that the county can provide the name of the voting delegate to NACo. Conference registrants will receive an e-mail with a link to the credentials form as well. Only counties that have paid their 2015 NACo dues will receive a credentials form. This form is mailed in May. Please return this form by Friday, June 19, 2015.

Why did I receive a credentials form?

You are receiving this form because you are the chief elected official at your county, your county’s clerk, or you registered for the 2015 NACo Annual Conference. If you wish to vote, please bring the credentials form to your chief elected official to fill out and return to us. Please see this packet for more instructions on the form.

My county has misplaced the credentials form. What should I do?

The credentials form will be available in the Elections and Voting Credentials section of the NACo website (www.naco.org/credentials) shortly after it is mailed. A member login is required to download and print the form. After you download, print, and fill out the form correctly, you can return it to NACo. Please call Alex Koroknay-Palicz at 888.407.NACo (6226) x291 if you need assistance.

If my county is not registering for the Annual Conference, does my county have to send in the credentials form?

No. Only counties who register are able to vote. Please do not return the credentials form to the NACo office if your county does not plan to register for the Annual Conference.

What is a voting delegate?

A voting delegate is someone authorized by your county/parish/borough board to pick up a ballot and cast your county’s votes at the annual conference. The delegate must have a paid registration to the conference.

Who may be a voting delegate?

Any elected or appointed official or staff member from your county/parish/borough may be a voting delegate. That decision is up to your county board.

What is an alternate?

An alternate is another elected or appointed official or staff member from the county delegated by the county to pick up and cast its ballot. The alternate must have a paid registration to the conference.

- The delegate OR alternate listed on the credentials form may pick up your county’s ballot.

My county has only one person attending the conference. Does my county have to designate an alternate?

No. It is not necessary to list an alternate if a delegate is named.

Whose ballots may the state associations of counties/parishes/boroughs receive?

Your state association of counties/parishes/boroughs is allowed to pick up any unclaimed ballots from counties/parishes/boroughs that have registered delegates. The pick-up for state associations is Sunday afternoon during the conference. The state association may then cast those ballots in the election.

My county does not want our state association to pick up our votes. How does my county go about indicating this decision?

You must check the box that says *"If my ballot is not picked up, I DO NOT AUTHORIZE my state association to pick up or cast my county's vote. I understand that my county's votes will NOT be cast if I select this option."*

- Remember that your county's votes will not be cast at all with this option if your delegate does not pick up the ballot.

If I do not get my credentials form into the NACo office by June 19, may I become credentialed on site at the conference?

Yes. You may bring the original credentials form signed by your chief elected official or fill out the on-site ballot form. By signing the on-site ballot form you declare that you and the other conference attendees from your county have agreed that you are the voting delegate for your county. You must be registered for the conference to be able to vote.

What would happen if more than one registered attendee from my county fills out the on-site ballot form?

If there is confusion as to who the authorized delegate is, and more than one person claims to be your county's authorized delegate, officials from your county will need to resolve the dispute by 5 p.m. EDT on Sunday July 12, 2015. Unless the dispute is resolved, your county's votes will not be counted. To resolve the dispute, all registrants who filled out the on-site ballot form need to agree as to who is authorized to cast their county's votes and communicate that to Alex Koroknay-Palicz at the credentials desk by 5 p.m. EDT on July 12.

How do I get my ballot?

When you submit your credentials form NACo staff prints out a paper ballot to bring to the NACo Annual Business Meeting. In order to vote you will need to pick up this paper ballot at the NACo Credentials Desk. Your county has until 1 p.m. on Sunday July 12 to come to the Credentials Desk and pick up your ballot. If you do not pick it up by 1 p.m. your state association can then pick up your vote until 5 p.m. unless you check the box on the form to not permit them. If you check that box and do not pick up your own ballot your county WILL NOT be permitted to vote.

What would happen if I've picked up my ballot, but I need to leave before the election on Monday?

If you have picked up the ballot for your county but won't be present to cast it at the NACo Annual Business Meeting on Monday morning, you can give that ballot to a delegate from your same county, from another active member in your state, the head of your state delegation, or your state association president or president's designee. To do this, you (transferer) and the person you are handing the ballot to (transferee) must sign the Record of Ballot Transfer form on the back of your ballot.

My county won't be attending this year's Annual Conference, can we still vote?

Yes. Your county can still have its votes counted without attending the conference, but one person from your county still needs to register. You must have at least one person registered by 12 PM EDT on July 7. If you register, do not plan to attend and wish to vote, you MUST designate your state association president as your delegate on the Credentials Form. Your state association president or his/her designee will pick up and cast your ballot.

How does NACo determine the number of votes each county receives?

The number of votes is determined by the amount of dues a county pays. Dues are based on population. All counties are entitled to at least one vote. Members with more than \$499 in dues are entitled to one additional vote for each additional \$500 in dues or fraction thereof paid in the year the meeting is held.

- Counties with dues of \$400 to \$499 receive one vote.
- Counties with dues of \$500 to \$999 receive two votes, and so on.
- The maximum number of votes a county can receive is 121.

My county has 10 votes. How can our 25 commissioners divide or share the votes?

That is up to your county. NACo has no rule as to how counties decide to allocate their votes. Counties may split their vote amongst the candidates running for second vice president if it is desired.

I've heard the term "unit vote" used. What is that?

Some states, by custom or policy, cast all of their votes as a block or "unit." State associations typically have a meeting before the election to determine how they will handle the voting process.

- Check with your state association regarding the time, date and location of this meeting.
- NACo bylaws permit each county to cast its vote as it chooses. Your county does not have to vote with your state association should you so choose.

When does the voting take place?

This year's election will be held on Monday, July 13, 2015 at 10:30 a.m. at the NACo Annual Business Meeting.

How does the voting occur?

Votes are cast by state, not by state association. Counties from a state sit together as a delegation. The reading clerk will call out states at random. A state appointed representative will approach the microphone and call out that state's vote. This will continue until one of the candidates has a majority (50 percent plus 1) of the total number of votes being cast. Voting may still continue after the fifty percent plus one mark has been reached.

What is a roll call?

Roll call is a way of voting for NACo resolutions to be passed. If a roll call is necessary, the names of the states will be read out in alphabetical order by the reading clerk. A state appointed representative will approach the microphone and call out that state's vote as "yes" or "no." This will continue until all votes have been cast.

What happens if there is a dispute over the election process?

It is rare, but sometimes irregularities occur with how votes are cast or counted, or how the credentialing process is conducted. As a safeguard elections may be challenged during the voting process at the NACo Annual Business Meeting. Challenges are allowed under two circumstances. A voting delegate may challenge the vote for his/her state, and his/her state only. A candidate running to become a NACo officer may challenge the vote of any state. If a challenge is made, the NACo Credentials Committee may audit the ballots of a state delegation to ensure that the number of votes the state is casting matches the number of ballots the state has. The committee may also audit the ballot transfer records on the back of each ballot and the State Voting Totals Form, which is a form states fill out showing the number of votes cast for each candidate.

WOODBURY COUNTY TEEN COURT

QUARTERLY REPORT

There are currently 13 juveniles actively involved with Teen Court caseload within the purview of the Woodbury County Teen Court Diversion program. I have conducted 36 hearings in this quarter.

Since the last report in February 2015, the average age of our clients is 15.9 years of age. Gender breakdown includes 2 females and 11 male youth offenders. Ethnicity is as follows: 3 Latino, 2 African American, one Asian and 7 Caucasian offenders. One hundred and thirty four hours of community service has been assigned, with 90 hours completed this quarter. Three other offenders have successfully completed their contracts since February's report, with no recidivism or re-offending.

A part of teen court, four youth were assigned Mental Health evaluations and substance abuse counseling. All have completed evaluations, and three continue receiving counseling as part of their recovery.

Eight youth have written apology letters to their victims, with one in mediation as part of the panel's restorative justice initiative. In other words – A win-win for both victim and the youth charged. Three detention tours for offenders have occurred with one additional tour pending.

Home and school visits are conducted weekly, school visits include gathering records including grades and attendance; and meeting with the student. Six urinalysis tests have been performed at Trospen-Hoyt and \$328 dollars of restitution has been assigned by Teen court and all offenders have fulfilled their debt to their victims. School breakdown of students involved in Teen Court is as follows:

4 West High Students

3 East High Students

3 North High Students

2 alternative schools including Sergeant Bluff

1 Siouxland Christian School student

The charges pending of current students are as follows

1. Aggravated Assault
2. Possession of a Controlled Substance, Carry a concealed weapon in school
3. Under the influence on school grounds (Marijuana)
4. Theft 5th (3 counts)
5. Serious Assault
6. OMVWOC
7. Trafficking stolen weapons
8. Keeping a disorderly house
9. Interference with Official Acts
10. Frequenting a disorderly house
11. Burglary 3rd

All but one referral has been made by Juvenile Court officers as a way to divert youth away from formal court hearings and incarceration in the Woodbury County Juvenile Detention Center. I meet weekly with all Juvenile Court teams to update them on their client's progress and to staff new referrals.

During this quarter, I received 13 mental health commitments and subsequent hearings have been performed in the absence of Mike Arndt (Mental Health Coordinator). He has been gone 10 days this year-to-date with 104 hours of vacation requested and approved for the time period from May 26th through June 30th, during which time I will be responsible for all aspects of his job duties.
