

Historic Committee Agenda

August 29, 2017 at 2:45 p.m., Old Board of Supervisors Meeting Room

1. Approval of the Agenda

2. Approval of the Minutes of the July 18, 2017 Meeting

3. Displays—Jim Jung

A. Courthouse—*The Monahan Post*

Jim will describe a potential focus for the Monahan Post named after the first local resident killed in WWI. The post once occupied the 7th floor as well as the building across the street. This is rich history that coincides with the Monahan Post Band and could be a separate standing display. Jim plans to work with Matt Anderson (Sioux City Museum) and Stacy Anderson (Sioux City Art Center).

B. Sioux City Museum and Sioux City Art Center Exhibitions—Jim Jung, Stacy Anderson, Matt Anderson

There may be opportunities for separate displays by working with Tim Samuelson and Guy Wilson helping to guide the process.

4. ArtSplash 2017—Leesa McNeil and Jim Jung

An exciting development, these outstanding volunteers have stepped up to help during ArtSplash and have three banners created by Lindblades that we agreed to pay for. They will show us the proofs. These can also act as precursor advertisements in the near future.

5. Poster—Chief Rex Mueller and Jim Jung

Estimated cost of the poster is \$3,000 (to be clarified) to include 50 prints with limited signed edition with the ownership of the image rights being this committee/county. Further information will be shared.

6. Volunteers—Committee and Jim Jung

We need to start assembling who can do what, where, when, and why in order to make this happen.

7. Funding—Terry Glade, Jim Jung et.al.

Terry Glade has secured from AIA a \$5,000 underwriting of the speakers. More information will be shared here. Jim will reach out to the City of Sioux City and Downtown Partners on behalf of the committee.

8. Virtual Tour/Audio-Visual Smartphone APP—Jeremy Taylor, John Malloy et. Al

We had a great working group meeting, the summation of which is attached. We have gained a form of display stations, time parameters, and conceptualization that will help us. We will also rely on WCICC for some cost-scenarios and interfacing with our networks. We will give more information here. (See attachment, please: "Summation of Audio-Visual Smartphone Tour Working Group Meeting").

9. Dinner and Dignitaries—Jim Jung, Gretchen Gondak

We will discuss the number of dignitaries, limited availability, etc.

10. Walking Tour Pamphlet, American Bungalow Cover, and Logo—Jim Jung

Near-final draft copies are made. The pamphlet will take some limited recommendations with the understanding that we want to give input but not stint the creative process by creation-by-committee work. The logo is ready for the committee, and we have a cover of what will act as the cover for the centennial reprinting of *The American Bungalow* article. We will seek a cost for reprinting 1,000 of the walking tour pamphlets. (See attachments, please: “Courthouse Adult Working Tour Pamphlet” and “Cover of the American Bungalow for the Centennial”).

11. Further Engagement—Committee

Rural Communities: Elected Officials, *The Menville Record*, etc.
