The report provided lists applications for Impoundment Structure Property Tax Exemption. Each application has been certified and approved by the Soil Conservation District Commissioners located in Sergeant Bluff. Rather than ask you to sign each individual application, we are providing a list of all applications which, when approved, will become a permanent part of the 2018 Exemption file.

Applications for exemptions must be applied for and certified as in compliance with the rules each year. Applications for exemption total \$353,860 for 2017.

Please let me know if you have any questions. Thank you.
