Karen,

FYI

I received a call from Florence Crittenton Center for 1105 28th ST. They want the taxes abated. I explained to her that there were private tax sales that would have to be redeemed. The one for 2011 will expire June 20, 2014, if the certificate holder does not file the 90 day notice of expiration by June 20, 2014. But the 2012 tax certificate will have to be redeemed in the amount of \$1,085.00 (June Interest rate).

I asked her why it was taxable and she said because it was not used as a non-profit organization, therefore the taxes are not erroneously assessed, so the certificate holder would be entitled to his investment and interest. Anyway, I told her it would be up to the Board of Supervisors to make the decision of what they would do. The building was torn down, so now it is only land, and there is a demo assessment in the amount of \$219,385.00 that will be payable Sept 2014. The other outstanding subsequent taxes total \$7905.00 including June interest. Maybe they should talk to the City about the Special assessments.

RE: Taxes assessed to the property at 1105 28th Street, Sioux City, Iowa
Owned by Crittenton Center, Non-Profit Social Service Organization, Sioux City, Iowa

I am Marian Burnett, Executive Director of Crittenton Center, am requesting to be on the agenda for the next meeting of the Woodbury County Board of Supervisors. I would like to discuss the possibility of having the property taxes assigned to this parcel abated so that the property can be used. Crittenton Center does not have the resources to pay these taxes that started to be assessed to the property just a few years ago. The agency is willing to sell the property for \$1 so that it can be made useful.

I appreciate your time and consideration regarding this matter.

Sincerely,

Additionally, the Board of Supervisors may be requested to decrease a Program's appropriation by 10% or \$5,000, whichever is greater, to appropriate a like amount to a Program Activity requesting same: 331.434 sub 6 will govern actions in this regard.

Subject: Fireworks display permit

Good morning,

RE: Fireworks display

My name is Kevin Campbell, I will live on an acreage at 1853 Glen Ellen Avenue.

I got your name from Don Armstrong of the Woodbury County Sheriff's Department. He told me I need to send you an email for the county board meeting, in regards to a permit to shoot fireworks on the 4th of July.

We are having a church 4th of July party at my house. The church's name is Holly Springs Bible Fellowship, we are expecting 50 or so people to be there. During the day we will be swimming, playing sand volleyball and having a picnic. Also as a point of safety there will be no alcohol at the party.

I would like to have a permit for a fireworks display on the evening of the 4th of July. I expected we would start shooting fireworks around sundown and would like your permit for about 1 hour after sundown. For safety we will have water hoses and fire extinguishers available.

Thank you for considering this, and I'm sorry for the late notice . I appreciate your time.

Thank you,

Kevin Campbell

RE: Tuesday July 1, 2014 Supervisor Meeting

- 1. Receive the Office of Planning and Zoning Recommendation for a Confinement Feeding Operation Construction Permit Application. Re: Willow Dairy LLC expansion project.**

On June 6, 2014, Willow Dairy LLC filed a copy of a Construction Permit Application with the Woodbury County Office of Planning and Zoning. The former Owego Dairy was sold in May of 2011, the new ownership has re-named the facility Willow Dairy LLC.

The Willow Dairy LLC application pertains to the construction and operation of an expansion to this dairy confinement feeding facility in Section 3, Sloan Township, Woodbury County, Iowa. Should the construction Permit Application be approved as submitted the dairy confinement feeding operation would be allowed to increase capacity by 800 units of immature dairy cattle; resulting in an increase from 2,500 animal units to 4,300 animal units.

On January 20, 2014 the Office of Planning and Zoning published notice of the Construction Permit Application as required by Iowa Code Section 459.304.2.a(1&2). Said notice was also posted in the lobby of the Woodbury County Courthouse.

As this is an expansion within the geographic footprint of a previous permitted dairy the Office of Planning and Zoning recommends your Board forego the voluntary public hearing process used in the past when new confinement feeding operations are initially established within the County. Owego Dairy participated in this process, along with a separate town hall type meeting for neighbors, in 2004.

As of this date no public comments regarding this matter have been received by the Office of Planning and Zoning.

The Office of Planning and Zoning has completed its analysis of the above referenced permit application. In conjunction with the applicant and their engineering consultants we find no reason to recommend changes be made to matrix scoring in any of the three categories of Air, Water and Community.

Onsite visits, grading and site plan review, related documents analysis provided verify the fact all categories have exceeded the minimum number of Master Matrix points required. *The Office of Planning and Zoning recommends your Board make recommendation to the Iowa Department of Natural Resources to approve the applicant's construction permit application with no change in matrix scoring.*

2. Consideration of an approval recommendation to the Iowa Department of Natural Resources and Authorization of Chairman Signature Re: Willow Dairy LLC Expansion -Confinement Feeding Operation Construction Permit Application.

Under Iowa Code Section 455B.200E your Board has, by previous annual resolution, elected to participate in the process of providing its recommendation to the Iowa Department of Resources on any proposed confinement feeding operation structure qualifying under the statute.

You are asked to vote to recommend approval of the applicant's construction permit application with no change in matrix scoring and to authorize your Chairman's signature on communication conveying your recommendation to the Iowa Department of Natural Resources .

Re: Purchasing Agreement with the City

I and Dennis Butler have been meeting with the City Manager, Robert Padmor, Donna Forker and Michael Collett the past five months. The purpose of the meetings are to figure out ways the County and City can cooperate within our existing governments.

Two meetings ago, the City Manager and Donna Forker suggest that they have a very good purchasing agreement with Office Depot where they have been able to save thousands of dollars.

After showing us all of the information they had and the savings, would the County be interested in piggy backing on the program with them. On June 17th in a public meeting at 1:30 p.m., the City and an Office Depot official made a presentation to the Board at which one department head and one elected official attended.

I feel this is a very good program for the County. There will be great savings to the departments that participate. There is no cost to the County to participate and Office Depot officials will give us all the tech assistance the County needs.

25 YEARS LATER

Dear Chairman Boykin and Members of the Board of Supervisors:

Thank you for your generous donation of \$10,000 to help fund the Flight 232 new exhibit and garden area at the Mid America Museum of Aviation and Transportation. We appreciate you taking a leadership role in this fundraising effort. Over 646 square feet of floor space plus 1,173 square feet of wall display is dedicated to the exhibit. Our first reflection garden will be planted close to the tragic touchdown spot at the end of old Runway 22.

We feel very blessed to receive your gift, but also to have your dedication to commemorate the event. A dedication ceremony will be held around July 11 for the new exhibit and garden – please join us.

Over and over during the fundraising and planning efforts, we are reminded how the community came together and the stories ‘where I was on July 19’. We are proud to be a part of this project with you.
