Karen James - CF Industries Contract Amendment

From: "Rockey, Katie [IEDA]" <Katie.Rockey@iowa.gov>
To: KJAMES@sioux-city.org
Date: 7/31/2014 4:36 PM
Subject: CF Industries Contract Amendment
Attachments: Company Executed CF Industries Amendment.pdf

Karen,

The Iowa Economic Development Authority has approved an amendment to contract number 13-DF/TC-023 with CF Industries Nitrogen, LLC and Woodbury County. The company has signed the attached amendment, so if a representative of the county would please print, sign and mail the original to my attention at the address below it would be much appreciated. If you have any questions, please don't hesitate to contact me.

Thank you,

Katie

From: John Pylelo – Planning and Zoning

**Re: Board of Supervisors Meeting
of Tuesday August 12, 2014**

Date: August 7, 2014

Planning and Zoning – John Pylelo, Director

Acceptance and Approval of a Resolution for the Final Platting of Marsh Addition - a Minor Subdivision; GIS Parcels #864332200001; #864332200006 and #864332200007.

Carla A. Marsh has filed a subdivision application and final platting to subdivide 63.53 acres into 3 lots. The 63.53 acres lie currently within a portion of five (5) independent parcels. The applicant requests the subdivision in order the existing single family dwelling and outbuildings can be located on a lot independent from pasture and timber ground. The applicant also desires an independent frontage lot for potential residential development.

The parent parcels lie in rural Woodbury County approximately 2.5 miles east of Smithland on the south side of 330th St. in the NE ¼ of Section 32 in Oto Township.

The parent parcels are zoned AP (Agricultural Preservation); are not within any drainage district. Four (4) of the five (5) parent parcel have minor portions impacted by Zone A Special Flood Hazard Area (100 year floodplain). However, in each case the flood hazard areas are limited to the creek bed and embankment locations of Parnell Creek.

The existing single family dwelling is proposed to be located on Lot 1 which is currently serviced by a drive addressed 3776 330th St., Smithland. The parent parcels have CSR values averaging 30.90 to 43.39 and falling within County policies allowing subdivision.

The existing AE (Agricultural Estates) zoning district designation permits the existing Lot 1 and the potential residential density for Lot 2's development. Should a building permit application for dwelling construction be received for a third lot the zoning district designation for all lots would have to be re-zoned to AE (Agricultural Estates) before permitting could be approved upon the third lot unless the specific location on Lot 3 was in the far south quarter-quarter section.

On July 22, 2014 the Woodbury County Zoning Commission held a public hearing on this matter voting to recommend the final plat be approved subject to:

1. The final platting reflect those locations designated as Zone A special flood hazard areas (100 year flood plain); reflect the utilities servicing the subdivision; reflect the zoning district designation; and correct the Supervisor's Resolution to show the current Chairman's name.
2. A Paving Agreement be recorded meeting Woodbury County paving policies.

The final plat presented represents each of the plat changes referenced in #1 above. A paving agreement has been executed by the applicant with a copy attached.

Your Board is asked to accept and approve the final plat's resolution and authorize your Chairman's signature thereon.

Date: August 8, 2014
TO: Board of Supervisors
FROM: Mark Nahra, County Engineer
RE: Tuesday, August 12, 2014 Meeting

I am requesting the following agenda items for the Board's consideration.

- Consideration of final acceptance of Project Number STP-S-CO97(117)—5E-97, PCC unbonded overlay on D-54.
- Consider approval of contract for 2015 Gravel Stockpile and Production
- Consider approval of a permit to work in the right of way for the City of Lawton
- SET TIME 10:20 AM:
Receive and consider award of quotations for Propane for 2014-2015
- SET TIME 10:25 AM:
Receive and consider award of quotations for Calcium Chloride for 2014-2015

CONTRACT

Kind of Work Maintenance Gravel Miles _____
Project No. G-2015-Stockpile County Woodbury

THIS AGREEMENT made and entered by and between Woodbury County, Iowa, by its Board of Supervisors consisting of the following members: George W. Boykin, Jaclyn Smith, Larry D. Clausen, Mark A. Monson,
and David Tripp _____, Contracting Authority, and
Hallett Materials _____ of Wall Lake, Iowa _____, Contractor.

WITNESSETH: That the Contractor, for and in consideration of _____
Seven Hundred Eighty Eight Thousand Thirty and No/100-----Dollars (\$788,030.00)
payable as set forth in the specifications constituting a part of this contract, hereby agrees to construct in accordance with the plans and specifications therefore, and in the locations designated in the notice to bidders, the various items of work as follows:

Item No.	Item	Quantity	Unit Price	Amount
----------	------	----------	------------	--------

The Standard Specifications of the Iowa Department of Transportation, Highway Division, for Highway and Bridge Construction, Series of 2001, and all applicable current supplemental specifications to date and special provisions shall apply to all work.

Attachments 1 through 6 inclusive form a part of this contract as if contained fully herein.

Said specifications and plans are hereby made part of and the basis of this agreement, and a true copy of said plans and specifications are now on file in the office of the County Engineer under date of _____, 2014

That in consideration of the foregoing, the Contracting Authority hereby agrees to pay the Contractor, promptly and according to the requirements of the specifications the amounts set forth, subject to the conditions as set forth in the specifications.

That it is mutually understood and agreed by the parties hereto that the notice to bidders, the proposal, the specifications for Project No. G-2015-Stockpile in Woodbury County, Iowa, the within contract, the contractor's bond, and the general and detailed plans are and constitute the basis of contract between the parties hereto.

That it is further understood and agreed by the parties of this contract that the above work shall be commenced and completed on or before:

Approximate Starting Date	Specified Starting Date	Late Start Date	Number of Working Days
After August 15, 2014			

That time is the essence of this contract and that said contract contains all of the terms and conditions agreed upon by the parties hereto.
It is further understood that the Contractor consents to the jurisdiction of the courts of Iowa to hear, determine, and render judgment as to any controversy arising hereunder.

IN WITNESS WHEREOF the parties hereto have set their hands for the purposes herein expressed to this and three other instruments of like tenor, as the _____ day of _____, 2014

XX

[] Indicates One-half mile units. Haul Units are based on Peters and Gothier Pit locations. Will vary for other suppliers.

Note: Per ton unit prices for items 1 through and including 9 includes furnishing gravel material.

Note: (Tons hauled) times (One-half mile units) = Units of haul

SPECIAL PROVISIONS

MAINTENANCE GRAVEL

1. The quantities of work as shown in the contract documents are approximate only and are subject to increase or decrease. All quantities of work, whether increased or decreased, are to be performed at the unit prices stipulated in the contract. No adjustment in price will be made on any item of work due to a variance from the contract quantities.

The contractor shall furnish all necessary machinery, equipment, tools, materials and supplies, labor and shall be capable of providing the means of construction necessary to complete the work. The contractor shall also furnish all granular material where specified in the contract. A scale house, when or where needed, shall be provided along with the scale prior to commencing of weighing. The scale shall be of sufficient size and length to accommodate all tandem axle and smaller trucks. Any other method of weighing shall have prior approval of the County Engineer. Weighing equipment shall meet the requirements of Section 2001.07.

The contractor will do all "Extra Work" which may be required to complete the contract contemplated at the contract unit prices, or lump sums to be agreed upon in writing before starting such work, or if such prices or sums can not be agreed upon, to perform such work on a force account basis, as provided in the IDOT Standard Specifications.

The contractor shall perform the work within 100 working days with an EARLIEST STARTING DATE will be of ~~July 1, 2013~~. Once work is started, it shall continue without interruption until completion. *August 19, 2014 Ty*

The contractor will pay liquidated damages of \$100.00 per working day elapsing after the expiration of the contract period accruing until the completion of the work.

~~* The contractor shall provide a minimum of 10 trucks hauling to the county at all times. If the number of trucks hauling to a county stockpile drops below 10, the county, at its option, may stop stockpiling operations for the day and charge a full working day. (see below) *~~

2. ~~The contractor shall furnish all equipment for stockpiling, and perform the stockpile work at the sites designated. In addition, the contractor shall furnish all granular material for stockpile items 1 through 8 inclusive. The County Engineer will approve the spot for stockpiling at the proposed sites. Stockpiling at locations away from production sites shall be done with a crawler type tractor.~~

Ty 8/1

County to handle all stockpiling except for production stockpiling at Anthony & Little Stock Park

3. The condition of the roads in the spring will be the controlling factor for starting work on any item. The County Engineer will be the final authority in determining if the haul roads are stable enough for hauling.

Attachment 3 of 6

** The contractor shall use best efforts to provide a minimum of 10 trucks. Trucks are in short supply right now Ty 8/1/14*

Special Provisions Continued

4. If gravel deposit is taken from below water, the contractor shall, by pumping, lower the water level below the excavation line a minimum of 24 hours prior to removal of gravel. The working time and size of pump or pumps to be used is to be approved by the County Engineer.
In the event the pit can not be pumped below the excavation line, the gravel removed from below water shall be stockpiled and permitted to drain for a minimum of 24 hours before crushing. This may require the use of two draglines, one to stockpile gravel taken from below water level and one to feed the crusher.
Gravel furnished by the Contractor shall be crushed pit run material.
The gravel shall be a uniformly graded product complying with the following gradation specification.

<u>Sieve</u>	<u>Percent Passing</u>
1 1/4"	100%
3/4"	80-95%
#4	50-65%
#8	35-50%
#30	10-30%

The depth and location of excavation and quality of acceptable material in each pit is to be determined by the County Engineer.

5. The contractor shall be equipped to work the face of the gravel deposit to uniformly mix the various layers of material.
6. The contractor will present the county with certified gradations at 1500 ton production intervals. The county will also be taking random quality assurance samples. When the county inspector arrives on site, the contractor will cooperate with the county staff member in obtaining a sample. The county will split the sample and retain both halves. County maintenance staff assisting in stockpiling gravel will also be observing the quality of the material being delivered to stockpiles. If there is a question of the material meeting requirements, county maintenance staff will have the authority to contact the County Engineer and stop delivery of material until a quality assurance gradation is run.

If the quality assurance sample does not meet gradation requirements, the county will immediately notify the contractor to take steps to return the material to county specifications. The county will obtain a second quality assurance sample after at least 300 tons has been processed and run a second sample. If the material still does not meet the specified gradation, the County Engineer, at his option, may order deliveries to cease until production returns to specified gradations as shown by supplier's quality control samples and the county's quality assurance samples.

A price adjustment will be assessed for non-complying material. After the failure of the first quality assurance sample to meet gradation requirements, the supplier will have 300 tons to make corrections. If when a second sample is taken, it still fails to meet specifications, a 5% price deduction will be .

assessed for the next 300 tons or until the gradation comes back within limits. This price adjustment will be on all material produced and delivered to county stockpiles after the first sample is taken and will be assessed on a minimum of 300 tons of gravel until the next sample is taken by the county. If the follow-up sample meets gradation requirements, payment will resume at bid price for the material. After one sample has failed to meet gradation, and any subsequent samples taken during the total run of production fail to meet county gradation requirements a 10% price deduction from the bid price per ton will be assessed as defined above.

7. The contractor shall hold harmless and indemnify Woodbury County, Iowa and its officers and employees from any and all claims, demands, actions, fines, and judgments for damages arising out of or in connection with any activity of the contractor or any of the contractor's agents or employees under this contract or upon the premises to which this contract applies.
8. The contractor shall abide by and enforce the rules and regulations of the Federal Occupational Safety and Health Act (OSHA), as amended; and the Federal Mine Safety and Health Act (MSHA) of 1977, as amended; and shall comply with all other Federal, State, and County laws and regulations and shall hold the county and the public harmless of any penalties and fines that may be assessed against Woodbury County and/or the public resulting from the contractors operations and/or any other of his activities relative thereto. The haul road within the pit and the access road to the pit shall be considered an integral part of the pit and shall be built and maintained by the contractor to meet the above referenced laws and regulations. Any penalties and/or fines assessed to Woodbury County relative to the contractors operations shall be reimbursed in full to the County by the Contractor prior to final settlement of the contract. An access road is defined as an ingress or egress roadway between the pit and an official county road normally used by the traveling public.
9. The contractor shall bear the full costs of any litigation or other proceedings brought against Woodbury County, Iowa or any of its officers or employees which involves an alleged injury to any employee(s) or agent of the Contractor or to any other person who has been authorized by the contractor to be upon the premises covered by this contract prior to completion of the project, except employees of Woodbury County.
10. Rock delivered directly to roads: 3000 tons of gravel will be hauled directly to roads as shown on the attached map. This corresponds to truck 5 loads per mile. A rock checker will coordinate with trucks to assure delivery to the designated roads. Price per ton delivered will be full payment for gravel and hauling.

I have read and understand the gravel contract special provisions:

CONTRACT

Kind of Work Maintenance Gravel Miles _____

Project No. G-2015-LSP-Peters Pit County Woodbury

THIS AGREEMENT made and entered by and between Woodbury County, Iowa, by its Board of Supervisors consisting of the following members: George W. Boykin, Jaclyn Smith, Mark A. Monson, Larry D. Clausen,

and David Tripp, Contracting Authority, and

Hallett Materials of Wall Lake, Iowa, Contractor.

WITNESSETH: That the Contractor, for and in consideration of _____

One Hundred Eighty Seven Thousand Five Hundred and No/100 Dollars (\$ 187,500.00)

payable as set forth in the specifications constituting a part of this contract, hereby agrees to construct in accordance with the plans and specifications therefore, and in the locations designated in the notice to bidders, the various items of work as follows:

Item No.	Item	Quantity	Unit Price	Amount
----------	------	----------	------------	--------

The Standard Specifications of the Iowa Department of Transportation, Highway Division, for Highway and Bridge Construction, Series of 2001, and all applicable current supplemental specifications to date and special provisions shall apply to all work.

Attachments 1 through 4 inclusive form a part of this contract as if contained fully herein.

Said specifications and plans are hereby made part of and the basis of this agreement, and a true copy of said plans and specifications are now on file in the office of the County Engineer under date of _____, 2014

That in consideration of the foregoing, the Contracting Authority hereby agrees to pay the Contractor, promptly and according to the requirements of the specifications the amounts set forth, subject to the conditions as set forth in the specifications.

That it is mutually understood and agreed by the parties hereto that the notice to bidders, the proposal, the specifications for Project No. G-2015-LSP-Peters Pit in Woodbury County, Iowa, the within contract, the contractor's bond, and the general and detailed plans are and constitute the basis of contract between the parties hereto.

That it is further understood and agreed by the parties of this contract that the above work shall be commenced and completed on or before:

Approximate Starting Date	Specified Starting Date	Late Start Date	Number of Working Days
After August 15, 2014			

That time is the essence of this contract and that said contract contains all of the terms and conditions agreed upon by the parties hereto.

It is further understood that the Contractor consents to the jurisdiction of the courts of Iowa to hear, determine, and render judgment as to any controversy arising hereunder.

IN WITNESS WHEREOF the parties hereto have set their hands for the purposes herein expressed to this and three other instruments of like tenor, as the _____ day of _____, 2014

SPECIAL PROVISIONS

MAINTENANCE GRAVEL

1. The quantities of work as shown in the contract documents are approximate only and are subject to increase or decrease. All quantities of work, whether increased or decreased, are to be performed at the unit prices stipulated in the contract. No adjustment in price will be made on any item of work due to a variance from the contract quantities.

The contractor shall furnish all necessary machinery, equipment, tools, materials and supplies, labor and shall be capable of providing the means of construction necessary to complete the work. The contractor shall also furnish all granular material where specified in the contract. A scale house, when or where needed, shall be provided along with the scale prior to commencing of weighing. The scale shall be of sufficient size and length to accommodate all tandem axle and smaller trucks. Any other method of weighing shall have prior approval of the County Engineer. Weighing equipment shall meet the requirements of Section 2001.07.

The contractor will do all "Extra Work" which may be required to complete the contract contemplated at the contract unit prices, or lump sums to be agreed upon in writing before starting such work, or if such prices or sums can not be agreed upon, to perform such work on a force account basis, as provided in the IDOT Standard Specifications.

The contractor shall perform the work within 100 working days with an EARLIEST STARTING DATE will be of July 1, 2013. Once work is started, it shall continue without interruption until completion.

Aug 05, 2014 Tj 8/1/14

The contractor will pay liquidated damages of \$100.00 per working day elapsing after the expiration of the contract period accruing until the completion of the work.

2. ~~The contractor shall furnish all equipment for stockpiling, and perform the stockpile work at the sites designated. In addition, the contractor shall furnish all granular material for stockpile items 1 and 2 inclusive. The County Engineer will approve the spot for stockpiling at the proposed sites.~~

Tj 8/1/14 County to handle all stockpiling at sites. Contractor will stockpile at Little Sioux do-kr

3. The condition of the roads in the spring will be the controlling factor for starting work on any item. The County Engineer will be the final authority in determining if the haul roads are stable enough for hauling.
4. If gravel deposit is taken from below water, the contractor shall, by pumping, lower the water level below the excavation line a minimum of 24 hours prior to removal of gravel. The working time and size of pump or pumps to be used is to be approved by the County Engineer.

Special Provisions Continued

In the event the pit can not be pumped below the excavation line, the gravel removed from below water shall be stockpiled and permitted to drain for a minimum of 24 hours before crushing. This may require the use of two draglines, one to stockpile gravel taken from below water level and one to feed the crusher.

Gravel furnished by the Contractor shall be crushed pit run material.

The gravel shall be a uniformly graded product complying with the following gradation specification.

<u>Sieve</u>	<u>Percent Passing</u>
1 1/4"	100%
3/4"	80-95%
#4	50-65%
#8	35-50%
#30	10-30%

The depth and location of excavation and quality of acceptable material in each pit is to be determined by the County Engineer.

5. The contractor shall be equipped to work the face of the gravel deposit to uniformly mix the various layers of material.
6. The contractor will present the county with certified gradations at 1500 ton production intervals. The county will also be taking random quality assurance samples. When the county inspector arrives on site, the contractor will cooperate with the county staff member in obtaining a sample. The county will split the sample and retain both halves. County maintenance staff assisting in stockpiling gravel will also be observing the quality of the material being delivered to stockpiles. If there is a question of the material meeting requirements, county maintenance staff will have the authority to contact the County Engineer and stop delivery of material until a quality assurance gradation is run.

If the quality assurance sample does not meet gradation requirements, the county will immediately notify the contractor to take steps to return the material to county specifications. The county will obtain a second quality assurance sample after at least 300 tons has been processed and run a second sample. If the material still does not meet the specified gradation, the County Engineer, at his option, may order deliveries to cease until production returns to specified gradations as shown by supplier's quality control samples and the county's quality assurance samples.

A price adjustment will be assessed for non-complying material. After the failure of the first quality assurance sample to meet gradation requirements, the supplier will have 300 tons to make corrections. If when a second sample is taken, it still fails to meet specifications, a 5% price deduction will be assessed for the next 300 tons or until the gradation comes back within limits. This price adjustment will be on all material produced and delivered to county stockpiles after the first sample is taken and will be assessed on a minimum of 300 tons of gravel until the next sample is taken by the county. If the follow-up sample meets gradation requirements, payment will resume at bid price for the material. After

one sample has failed to meet gradation, and any subsequent samples taken during the total run of production fail to meet county gradation requirements a 10% price deduction from the bid price per ton will be assessed as defined above.

7. The contractor shall hold harmless and indemnify Woodbury County, Iowa and its officers and employees from any and all claims, demands, actions, fines, and judgments for damages arising out of or in connection with any activity of the contractor or any of the contractor's agents or employees under this contract or upon the premises to which this contract applies.
8. The contractor shall abide by and enforce the rules and regulations of the Federal Occupational Safety and Health Act (OSHA), as amended; and the Federal Mine Safety and Health Act (MSHA) of 1977, as amended; and shall comply with all other Federal, State, and County laws and regulations and shall hold the county and the public harmless of any penalties and fines that may be assessed against Woodbury County and/or the public resulting from the contractors operations and/or any other of his activities relative thereto. The haul road within the pit and the access road to the pit shall be considered an integral part of the pit and shall be built and maintained by the contractor to meet the above referenced laws and regulations. Any penalties and/or fines assessed to Woodbury County relative to the contractors operations shall be reimbursed in full to the County by the Contractor prior to final settlement of the contract. An access road is defined as an ingress or egress roadway between the pit and an official county road normally used by the traveling public.
9. The contractor shall bear the full costs of any litigation or other proceedings brought against Woodbury County, Iowa or any of its officers or employees which involves an alleged injury to any employee(s) or agent of the Contractor or to any other person who has been authorized by the contractor to be upon the premises covered by this contract prior to completion of the project, except employees of Woodbury County.

I have read and understand the gravel contract special provisions:

WOODBURY COUNTY SECONDARY ROAD DEPARTMENT PERMIT & AGREEMENT TO PERFORM WORK WITHIN WOODBURY COUNTY RIGHT OF WAY

Name of Permittee: LB Football Auction ^{Fran Carlson} Phone No.: 253-2658

Mailing Address: 1581 Charles Ave Lawton

Township: Banner Section: _____

Woodbury County, State of Iowa, and LB Football Auction / Fran Carlson (hereinafter referred to as property owner, organization or authorized representative) do hereby enter into the following permit and agreement:

1. Woodbury County hereby consents to and grants permission to the property owner, organization or authorized representative, to conduct the following described construction or activities within the right-of-way:

LB Football Auction - road blocks for cedar St Lawton

2. In consideration of Woodbury County granting said permission and consent, the property owner, organization or authorized representative hereby promises and agrees to the following:

A. The applicant shall carry on the construction, repair and maintenance with serious regard to the safety of the traveling public and adjacent property owners.

B. The property owner, organization or authorized representative, at his/her own expense, shall provide all safety measures and warning devices necessary to protect the traveling public such as but not limited to, signs, lights, and barricades during the day and at night if the roadway will be obstructed. Traffic protection shall be in accordance with Part VI of the current Manual on Uniform Traffic Control Devices for Streets and Highways. The Department will loan the required signs to the applicant who shall be responsible for placing the signs and covering or removing when not in use, removal after the work has been completed, and return of the Department owned signs to the Department maintenance facility from which obtained. The applicant shall be responsible for correctly using signs as needed while work is in progress. Flagging operations are the responsibility of the applicant.

C. In placing any drainage structure, no natural drainage course will be altered or blocked.

D. The finished project shall be left in a satisfactory condition subject to the approval of the County Engineer. The traveled portion of the roadway shall not be damaged or disturbed. The property owner, organization or authorized representative assumes all liability and agrees to reimburse Woodbury County for any damage to the roadway or ditch caused by placement of this structure. Permittee is to call County Engineer for upon completion for final inspection.

E. The property owner, organization or authorized representative shall notify all appropriate telephone and utility companies in advance of any excavation and shall check for underground electric or telephone lines.

F. Woodbury County will not assume any of the cost of the construction of the said improvement or structure nor will Woodbury County assume any future costs for maintenance or replacement of said improvement or structure. If in the best interest of Woodbury County, the said improvement or structure may be removed by the County, or may be caused to be removed, without any obligation by Woodbury County to pay damages or cost of replacement.

G. Property owner, organization or authorized representative will reseed and mulch the disturbed areas. Property owner, organization or authorized representative will be responsible for seed, mulch, and labor unless otherwise provided in section L.

H. The property owner, organization, or authorized representative hereby agrees to hold Woodbury County and the Woodbury County Secondary Road Department, its employees and agents harmless against any and all claims for damages and personal injury arising out of work performed or actions taken by the applicant related to the construction or maintenance of the facility. The applicant further agrees to reimburse the County or the Department for any expenditures that the County or Department may have to make on said highway rights of way on account of said applicant's construction or maintenance activity or other activities or lack thereof. The applicant shall also save Woodbury County and the Woodbury County Secondary Road Department harmless of any damage or losses that may be sustained by the traveling public on account of such construction, repair or maintenance operations, or other activities.

I. **FAILURE TO CONFORM TO OR TO ACQUIRE A PERMIT IS A VIOLATION OF SECTION 318.8, 2009 CODE OF IOWA.** This permit is subject to any laws now in effect or any laws that may be hereafter enacted and all applicable rules and regulations of local, state and federal agencies. This permit is subject to all the rules and regulations of Woodbury County and the Woodbury County Secondary Road Department.

J. This permit is subject to revocation by the Department at any time and at no cost to the Department, when in the judgment of the Department it is necessary in the improvement or maintenance of the highway or for other reasonable cause.

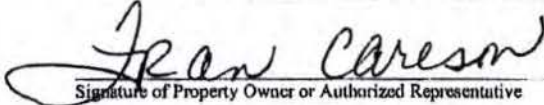

K. All proposed work covered by this permit shall be at the applicant's expense. The applicant shall reimburse the Woodbury County Secondary Road Department for any materials removed from the highway right of way described as follows:

L. Woodbury County agrees to provide the following contribution toward completion of this project:

road blocks for Cedar Street Lawton

M. All work done by property owner, organization or authorized representative pursuant to this agreement shall be completed prior to the _____ day of _____, 2014.

Entered into this _____ day of _____, 2014.

NOTICE OF A CONSULTATION TO BE HELD BETWEEN THE CITY OF SIOUX CITY, IOWA AND ALL AFFECTED TAXING ENTITIES CONCERNING THE PROPOSED AMENDMENT NO. 2 TO THE AMENDED AND RESTATED DONNER PARK URBAN RENEWAL PLAN FOR THE DONNER PARK URBAN RENEWAL AREA OF THE CITY OF SIOUX CITY, IOWA

The City of Sioux City, Iowa will hold a consultation with all affected taxing entities, as defined in Section 403.17(1) of the Code of Iowa, as amended, commencing at 3:30 P.M., August 12, 2014 in Room 306, City Hall, 405 Sixth Street, Sioux City, Iowa concerning a proposed Amendment No. 2 to the Amended and Restated Donner Park Urban Renewal Plan for the Donner Park Urban Renewal Area, a copy of which is attached hereto.

Each affected taxing entity may appoint a representative to attend the consultation. The consultation may include a discussion of the estimated growth in valuation of taxable property included in the Urban Renewal Area, the fiscal impact of the division of revenue on the affected taxing entities, the estimated impact on the provision of services by each of the affected taxing entities in the Urban Renewal Area, and the duration of any bond issuance included in said Amended Plan.

The designated representative of any affected taxing entity may make written recommendations for modifications to the proposed division of revenue no later than seven days following the date of the consultation. The City Manager (or his designee) as the designated representative of the City of Sioux City, shall submit a written response to the affected taxing entity, no later than seven days prior to the public hearing on the proposed Amendment No. 2 to the Amended Plan, addressing any recommendations made by that entity for modification to the proposed division of revenue.

This notice is given by order of the City Council of the City of Sioux City, Iowa, as provided by Section 403.5 of the Code of Iowa, as amended.

Dated this 4th day of August, 2014

Lisa L. McCardle, City Clerk
City of Sioux City, Iowa

(END OF NOTICE)

NOTICE OF PUBLIC HEARING TO CONSIDER APPROVAL OF THE
PROPOSED AMENDMENT NO. 2 TO THE AMENDED AND RESTATED
DONNER PARK URBAN RENEWAL PLAN FOR THE DONNER PARK URBAN
RENEWAL AREA OF THE CITY OF SIOUX CITY, IOWA

The City Council of the City of Sioux City, Iowa, will hold a public hearing before itself at its meeting which commences at 4:00 P.M. on September 8, 2014, in the Council Chambers, City Hall, Sioux City, Iowa to consider adoption of the proposed Amendment No. 2 to the Amended and Restated Donner Park Urban Renewal Plan (the "Amended Plan") for the existing Donner Park Urban Renewal Area ("Project Area").

A copy of Amendment No. 2 to the Amended Plan is on file for public inspection in the office of the City Clerk, City Hall, Sioux City, Iowa.

The purpose of the Amendment No. 2 to the Amended Plan is to further update certain provisions of the Amended Plan to conform to current City objectives, planning initiatives and program activities for the Project Area.

The general scope of the urban renewal activities under consideration in the Amended Plan is to convey land and enter into development agreements for new development and the redevelopment of existing commercial buildings and land for commercial residential and mixed use purposes in order to encourage investment and strengthen the area economy. This activity may involve grants, rebates, loans or other incentives funded by tax increment financing. Specifically, the amendment addresses the following proposed urban renewal projects:

The purchase of land and construction of a building for John P. Goldsmith, Jr. located at 2661 Boulevard of Champions, Sioux City, Iowa.

Capital Project for Fiscal Year 2015: Line Drive Extension Improvement Project

Any person or organization desiring to be heard shall be afforded an opportunity to be heard at such hearing.

This Notice is given by order of the City Council of Sioux City, Iowa, as provided by Section 403.5 of the Code of Iowa, as amended.

Dated this 4th day of August, 2014.

Lisa L. McCardle, City Clerk, Sioux City, Iowa

Publish in the Sioux City Journal August 30, 2014.

(END OF NOTICE)

AMENDMENT NO. 2

**TO THE
AMENDED AND RESTATED DONNER PARK
URBAN RENEWAL PLAN**

**FOR THE
DONNER PARK URBAN RENEWAL AREA**

CITY OF SIOUX CITY, IOWA

AMENDMENT NO. 2

AMENDED AND RESTATED DONNER PARK URBAN RENEWAL PLAN CITY OF SIOUX CITY, IOWA

The Amended and Restated Donner Park Urban Renewal Plan ("Plan") for the Donner Park Urban Renewal Area ("Area" or "Urban Renewal Area"), originally adopted December 7, 1987 pursuant to Resolution No. 87/T-6002 and restated and amended as set out in **Exhibit A** attached hereto and incorporated by this reference, is being further amended to add and/or confirm a proposed project to be undertaken within the Urban Renewal Area ("Amendment"). No land is being added to the Area by this Amendment.

Except as modified by this Amendment, the provisions of the Amended and Restated Amended Donner Park Urban Renewal Plan, as previously amended, are hereby ratified, confirmed, and approved and shall remain in full force and effect as provided herein. In case of any conflict or uncertainty, the terms of this Amendment shall control.

PROPOSED URBAN RENEWAL PROJECTS

The following new subsection (b) to Section E (1) is added to the Plan as follows:

E. Urban Renewal Projects

1. Development Agreements

- b. Southbridge Area Development – Construction of an approximate 6,750 square foot building on property located at 2661 Boulevard of Champions.

The City is considering entering into a Development Agreement with a private developer, by which the City would, subject to the terms and conditions of a negotiated Development Agreement, provide certain property tax rebates in an amount up to \$150,000 to assist with the purchase of land at 2661 Boulevard of Champions and construction of a building approximately 6,750 square feet in size with appropriate storm water facilities, landscaping and payment to meet City standards.

DEBT

1.	July 1, 2014 constitutional debt limit:	\$193,629,706
2.	Outstanding general obligation debt:	\$113,890,000
3.	It is estimated that the cost of the economic development rebate grant will be approximately:	\$150,000

The following new subsection (c) to Section E (2) is added to the Plan as follows:

E. Proposed Urban Renewal Projects

2. Public Improvements:

- c. The City has designated the following improvement project through its Capital Project for Fiscal Year 2015: Line Drive Extension Improvements Project.

DEBT

1.	July 1, 2014 constitutional debt limit:	\$193,629,706
2.	Outstanding general obligation debt:	\$127,815,349
3.	Proposed amount of indebtedness to be incurred: It is estimated that the cost of the proposed infrastructure improvements, improvement projects and land acquisition as described above will be approximately as follows:	
	<ul style="list-style-type: none"> • Line Drive Extension Improvement Project 	\$220,000.00

PROPERTY ACQUISITION/DISPOSITION

The City will follow any applicable requirements for the acquisition and disposition of property.

URBAN RENEWAL PLAN AMENDMENTS

The Plan may be amended from time to time for a variety of reasons, including but not limited to, adding or deleting land, adding urban renewal projects, or to modify goals or types of renewal activities. The City Council may amend this Plan in accordance with applicable state law.

EFFECTIVE DATE

This Urban Renewal Plan Amendment No. 2 will become effective upon its adoption by the City Council. Notwithstanding anything to the contrary in the Urban Renewal Plan, any prior amendment, resolution or document, the Urban Renewal Plan shall remain in effect until terminated by the City Council, and the use of incremental property tax revenues, or the "division of revenue," as those words are used in Chapter 403 of the Code of Iowa, will be consistent with Chapter 403 of the Iowa Code.

REPEALER

Any parts of the previous Plan, as previously amended, in conflict with this Amendment are hereby repealed.

SEVERABILITY CLAUSE

If any part of the Amendment is determined to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity of the previously adopted Plan as a whole or the previous amendments to the Plan, or any part of the Plan not determined to be invalid or unconstitutional.

EXHIBIT A

AMENDED AND RESTATED DONNER PARK URBAN RENEWAL PLAN HISTORY

By virtue of Resolution No. 2013-0877, passed and approved on the 25th day of November, 2013, the City Council of the City of Sioux City, Iowa, approved and adopted the Amended and Restated Donner Park Urban Renewal Plan and subsequent amendment to the same on May 5, 2014, pursuant to Resolution No. 2014-0273.

Previous resolutions pertaining to the Donner Park Urban Renewal Plan:
