Re: Woodbury County, State of Iowa - General Obligation Capital Loan Notes,
Series 2014B

Dear Mike:

Enclosed are documents to complete Board action in connection with the authorization for the issuance of the above notes.

A. The Board procedure consists of the following:

1. Resolution authorizing the issuance of the Notes. The resolution also incorporates by reference the form of the Tax Exemption Certificate.

There are blank spaces appearing in the form of Note set out in the resolution. These need not be completed but may be left blank as a guide since different amounts, dates and percents will be inserted within the blank spaces.

The resolution must be adopted by an affirmative vote equal to a majority of the full Board membership.

2. Tax Exemption Certificate. The Tax Exemption Certificate sets out in detail a number of facts, promises and obligations which must be met and agreed to by the County in order to maintain these Notes as tax exempt. This Certificate may contain some blank spaces relating to matters of information dependent upon the resale price of the Notes which are not known and available at this time. The information will be calculated and added to this certificate prior to closing and completed copies of pages with blank spaces will be provided to you. This certificate should be SIGNED BUT NOT DATED. Please return the "Complete and Return" copy to our office prior to closing.

B. Closing Certificates and Documents:

1. Loan Agreement. Please execute all copies and return the same to our office prior to closing. We will affix the Purchaser's signature page to each and provide you with a fully executed copy after the issue has closed.
2. Original Note. The Note is enclosed to be executed by the County Officials in the spaces provided and impressed with the County's seal. Tabs are attached to the Note showing where signatures and seals should appear. Please return the Note to us prior to closing.
3. Delivery Certificate. This certificate also should be signed, BUT NOT DATED. Please return all copies to my attention prior to closing.
4. Transcript Certificate. This certificate is to be executed and sealed in the manner indicated on the second page and may be dated at the time of completion. A notary attestation for all official signatures is required. Please return the "Complete and Return" copy to my attention prior to closing.
5. County Auditor's Certificate. A true copy of the authorizing resolution as adopted is to be certified and filed with the Auditor of Woodbury County. The Auditor is asked to certify to such filing. Please return the "Complete and Return" copy to my attention prior to closing.
6. Form 8038-G -- Information Return for Tax Exempt Governmental Obligations. Please sign, BUT DO NOT DATE, and return the form to us prior to closing.

Tax Exemption

The Tax Exemption Certificate is an important document and contains important information concerning the calculated yield on the Notes and a number of covenants and obligations on the part of the County. This certificate should be retained along with all of your records regarding the use of proceeds, expenditure dates and investment information needed to comply with IRS guidelines (See exhibit attached). I will not attempt to summarize all of the matters which are included in this certificate but I do want to point out some important ones.

Tax exemption is based in part upon the fact that the use of the facilities to be acquired by the County with the proceeds will be for the benefit of the public and will not be used in the private trade or business of any business or non-tax-exempt entity. The properties acquired with the Note proceeds must not be sold or diverted to any private or nonpublic use unless the significance of that action is reviewed by bond counsel.

The Tax Exemption Certificate sets forth the best knowledge and belief which you have as of today concerning the timely expenditure of the proceeds as the County reasonably expects expenditures to occur. If for any reason the County finds it will be prevented from expending the Note proceeds fully within three years, that matter should be referred to us.

These Notes are also issued under the expectation that the County will be exempt from the requirement to rebate arbitrage earnings to the United States Government since you intend to spend the proceeds of the Notes within 18 months of issuance in accordance with the schedule described in Section 3.3 of the Tax Exemption Certificate.

These Notes are also issued under the expectation that you will be exempt from the requirement to rebate arbitrage earnings to the United States Government, because you will issue \$5,000,000 or less of notes or any similar obligations for public purposes during the calendar year. (This excludes Industrial Development Revenue notes.) If for any reason you should need to exceed that amount of note issuance, the matter should be brought to our attention immediately. For this purpose, "notes" generally includes any debt obligation including warrants, lease-purchase contracts, contracts to purchase, bonds and others.

These Notes are also issued under the expectation that you will be exempt from the requirement to rebate arbitrage earnings to the United States Government, because you will spend the gross proceeds of the Notes within six months of the date of issue. If for any reason it appears you will not meet this spending requirement, the matter should be brought to our attention immediately.

Also, these Notes are designated as qualified tax-exempt obligations, making them desirable for certain banks as investments and making possible a more favorable interest rate. For this designation to be proper, it is necessary that the County reasonably expects to issue \$10,000,000 or less of notes or other obligations in the course of this calendar year. If that amount should be exceeded, it would be necessary to review the situation immediately.

There are a number of other general promises and commitments by the County to take or refrain from action, which are necessary to maintain the tax exemption of these Notes. You should recognize that these promises and commitments are required of the County on an ongoing basis and that the possibility of some additional future action does exist.

Closing Matters.

As you know, closing of this issue is scheduled to occur on or about December 31, 2014. At the time of closing, the "Purchaser's" copies of the above items and the original Notes will be delivered to the Purchaser of the Notes in exchange for the agreed purchase price. Our legal opinion also will be delivered to the Purchaser at that time.

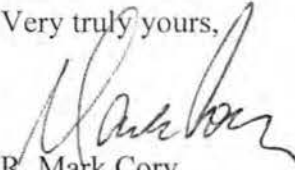

Please return all executed documents to us by December 18, 2014.

Larry Clausen
Chairperson, Board of Supervisors
Woodbury County
620 Douglas Street, Room 104
Sioux City, Iowa 51101

Dear Mr. Clausen:

I commend you for the efforts that have been put forth in implementing the floodplain management measures for Woodbury County, Iowa, to participate in the National Flood Insurance Program (NFIP). As you implement these measures, I want to emphasize the following:

- a Flood Insurance Study (FIS) and Flood Insurance Rate Map (FIRM) have been completed for your community;
- the FIS and FIRM will become effective on March 2, 2015; and
- by the FIS and FIRM effective date, the Department of Homeland Security's Federal Emergency Management Agency (FEMA) Regional Office is required to approve the legally enforceable floodplain management measures your community adopts in accordance with Title 44 Code of Federal Regulations Section 60.3(d).

As noted in FEMA's letter dated September 2, 2014, no significant changes have been made to the flood hazard data on the Preliminary and/or revised Preliminary copies of the FIRM for Woodbury County. Therefore, Woodbury County should use the Preliminary and/or revised Preliminary copies of the FIRM as the basis for adopting the required floodplain management measures. Final printed copies of the FIRM for Woodbury County will be sent to you within the next few months.

If you encounter difficulties in enacting the measures, I recommend you contact the Iowa Department of Natural Resources. You may contact Bill Cappuccio, the NFIP State Coordinator, by telephone at (515) 281-8942, in writing at 502 East Ninth Street, Des Moines, Iowa 50319, or by electronic mail at bill.cappuccio@dnr.iowa.gov.

The FEMA Regional staff in Kansas City, Missouri, is also available to provide technical assistance and guidance in the development of floodplain management measures. The adoption of compliant floodplain management measures will provide protection for Woodbury County and will ensure its participation in the NFIP. The Regional Office may be contacted by telephone at (816) 283-7002 or in writing. Please send your written inquiries to the Director, Mitigation Division, FEMA Region VII, at 9221 Ward Parkway, Suite 300, Kansas City, Missouri 64114-3372.

You may have already contacted the NFIP State Coordinator and/or the FEMA Regional Office, and may be in the final adoption process or recently adopted the appropriate measures. However, in the event your community has not adopted the appropriate measures, this letter is FEMA's official notification that you only have until March 2, 2015, to adopt and/or submit a floodplain management ordinance that meets or exceeds the minimum NFIP requirements, and request approval from the FEMA Regional Office by the effective date. Your community's adopted measures will be reviewed upon receipt and the FEMA Regional Office will notify you when the measures are approved.

I appreciate your cooperation to ensure that your community's floodplain management measures are approved by the FEMA Regional Office by March 2, 2015. Your compliance with these mandatory program requirements will enable your community to avoid suspension from the NFIP.

Sincerely,

David H. Stearrett, CFM, Chief
Floodplain Management Branch
Federal Insurance and Mitigation Administration
