**Registration.** The ownership of Notes may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Notes, and in no other way. The County Treasurer is hereby appointed as Note Registrar under the terms of this Resolution. Registrar shall maintain the books of the Issuer for the registration of ownership of the Notes for the payment of principal of and interest on the Notes as provided in this Resolution. All Notes shall be negotiable as provided in Article 8 of the Uniform Commercial Code and Section 331.446 of the Code of Iowa, subject to the provisions for registration and transfer contained in the Notes and in this Resolution.

**Transfer.** The ownership of any Note may be transferred only upon the Registration Books kept for the registration and transfer of Notes and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). **Non-Presentation of Notes.** In the event any payment check representing payment of principal of or interest on the Notes is returned to the Paying Agent or if any note is not presented for payment of principal at the maturity

or redemption date, if funds sufficient to pay such principal of or interest on Notes shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or payment of such Notes shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Notes who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Notes. **Reissuance of Mutilated, Destroyed, Stolen or Lost Notes.** In case any outstanding Note shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Note of like tenor and amount as the Note so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note to Registrar, upon surrender of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Note has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with such other reasonable regulations as the Issuer or its agent may prescribe and paying such expenses as the Issuer may incur in connection therewith.

**Record Date.** Payments of principal and interest, otherwise than upon full redemption, made in respect of any Note, shall be made to the registered holder thereof or to their designated agent as the same appear on the books of the Registrar on the 15th day of the month preceding the payment date. All such payments shall fully discharge the obligations of the Issuer in respect of such Notes to the extent of the payments so made. Upon receipt of the final payment of principal, the holder of the Note shall surrender the Note to the Paying Agent.

**Execution, Authentication and Delivery of the Notes.** Upon the adoption of this Resolution, the Chairperson and Auditor shall execute the Notes by their manual or authorized signature and deliver the Notes to the Registrar, who shall authenticate the Notes and deliver the same to or upon order of the Purchaser. No Note shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Registrar shall duly endorse and execute on such Note a Certificate of Authentication substantially in the form of the Certificate herein set forth. Such Certificate upon any Note executed on behalf of the Issuer shall be conclusive evidence that the Note so authenticated has been duly issued under this Resolution and that the holder thereof is entitled to the benefits of this Resolution.

**EXECUTIVE SUMMARY:**

The current Front-end "Alerton" building automation communication control system at the Law Enforcement Center is outdated and need of an upgrade.  
A system tie-in to the master HVAC computer will provide equipment alarm notices, real-time reporting, and trending opportunities. The front end system upgrade will allow night set back functionality allowing for improved energy efficiency. Energy rebate opportunities will be studied by RCE and Clear Result.  
This is the last major building front end communication link to be tied into the master HVAC system computer.

**BACKGROUND:**

Building Services goal is to incorporate the major County Buildings in a manner that will allow access to all building HVAC systems and the eventual control via a graphics system from a central point HVAC Computer System.

**FINANCIAL IMPACT:**

Funding Allocation: 2017 CIP #A6-17

Resource Consulting Engineers: \$9,500.00

Star Controls: \$32,328.00

Total= \$41,828.00

State Preemption Regarding Woodbury County Weapons Ban

**ACTION REQUIRED:**

**EXECUTIVE SUMMARY:**

The Board of Supervisors was led to believe for several weeks that an Attorney General's ("AG") clarification of House File 517's "state preemption" relating to public areas of county courthouses was formally requested and forthcoming. The board noted "an impending [AG's] ruling" which was verified as correct by County Attorney Jennings during the May 23rd meeting. This understanding was later retracted by the county attorney at a recent board meeting. Upon this confusing news, I phoned the Iowa State Association of Counties' General Counsel June 19th to inquire if they were aware of an impending AG opinion. I was initially told yes, and that an answer was expected by the end of the week. I was called back minutes later to be told actually no, nothing has been requested. Upon this confusing news (again), I emailed the county attorney asking that their office formally request that AG's opinion. Understanding such a request may be declined due to fear of contradicting the recent supervisory order from the Iowa Supreme Court chief justice, and understanding any answer will come back after July 1, I still think it is wise to show in good faith that we are seeking clarity, and I've been told this has been done.

Counties are a political subdivision of the state. This board's decision of which direction to take should not be based on how anyone feels about the law or about weapons, but answer the question: "Are we following the rule of law as of July 1st?"

**BACKGROUND:**

See attachments: (Woodbury County Courthouse Safety and Security Policy, passed by board resolution August 26, 2014), (HF517, Division VII), (In the Matter of Courthouse Security, Iowa Supreme Court).

Due to the timing of the supervisory order, it is easy to confuse that issue with an analysis of the law effective July 1. Extensive conversations with our county attorney convinces me that separating those two issues is necessary, and of the following.

Regarding the supervisory order by Chief Justice Mark Cady, extending the order beyond courtrooms to "court-controlled spaces, and public areas of the courthouses and other justice centers occupied by the court system," if intended to encompass the entire Woodbury County Courthouse, is a change in the reach claimed by the Judicial Branch, and an unfunded one. Regardless of the ends ultimately chosen, this particular order is a means without authority based on separation of powers; it is judicial overreach into spaces governed and allocated by the board of supervisors. It relies on contempt of court for enforcement rather than enforcement of law. However, it certainly offers insight into how the court may be predisposed to rule in litigation.

**FINANCIAL IMPACT:**

"Tom Ferguson, executive director of the Iowa County Attorneys Association, said because the bill does not exempt city halls or courthouses, local jurisdictions would face a constant threat of lawsuits and damages." (Washington Post article, April 18)

My understanding is the potential for court costs has since been removed from the bill, but a lawsuit against any particular county is almost certain. The cost would therefore be man hours from our Attorney's Office, with the potential for costly outside legal counsel if recommended.

The bar set for allowing someone claiming to be adversely affected to "file suit in an appropriate court for declaratory and injunctive relief for damages" not only includes "ordinance, measure, enactment, rule, resolution, policy," but includes something as basic as "a motion." Woodbury County has certainly met this standard.

I question the "wait until we get sued" route as being the best strategy or the best use of tax dollars. The board should ask the following questions of our legal counsel, knowing some may be addressed at a security committee meeting which may take place before this board meeting. My understanding is other board members have reached out to the bill's floor manager as well, State Rep. Matt Windschitl.

How does the law as written impact the board's August 26, 2014 resolution?

Does the law as written protect the county's practice of requiring visitors go through the metal detector and use the single entrance?

Does our existing Employee Handbook comport with the law as written?

How are the Law Enforcement Center and the Trospen-Hoyt buildings affected by either the law or the supervisory order?

Action by the county board at this meeting has been requested by our Attorney's Office. Does that request in itself presume the county board actually controls the additional areas claimed by the supervisory order?

**IF THERE IS A CONTRACT INVOLVED IN THE AGENDA ITEM, HAS THE CONTRACT BEEN SUBMITTED AT LEAST ONE WEEK PRIOR AND ANSWERED WITH A REVIEW BY THE COUNTY ATTORNEY'S OFFICE?**

Yes  No

**RECOMMENDATION:**

The board should fund some element of courthouse security for the public. Regardless of how we feel about the law, we should comport with the law which prohibits any county ordinance banning weapons, while recognizing the judiciary's power to set rules for their courtrooms. This may mean providing a mobile and responsive form of armed, uniformed law enforcement for public areas of the courthouse and potentially other buildings. Short of repealing the 2014 resolution (#12,058), it is safe to say all parties recognize the need to work with the district judge and security committee to amend it.

**ACTION REQUIRED / PROPOSED MOTION:**

With a weapons ban in place by resolution since 2014, and with our next board meeting being July 11th, postponing action or a deadlocked vote has the same effect as positively enacting a weapons ban in the face of House File 517. The board only has authority to follow Iowa Code, therefore, at a minimum, a motion to follow House File 517 should be considered.

d. This subsection shall not prohibit the release of information relating to the validity of a professional permit to carry weapons to an employer who requires an employee or an agent of the employer to possess a professional permit to carry weapons as part of the duties of the employee or agent.

e. Except as provided in paragraphs "b", "c", and "d", the release of any confidential information under this section shall require a court order or the consent of the person whose personally identifiable information is the subject of the information request.

DIVISION VII  
STATE PREEMPTION

Sec. 32. Section 724.28, Code 2017, is amended to read as follows:

**724.28 Prohibition of regulation by political subdivisions.**

1. As used in this section, "political subdivision of the state" means a city, county, or township.

2. A political subdivision of the state shall not enact an ordinance regulating the ownership, possession, legal transfer, lawful transportation, registration, or licensing of firearms when the ownership, possession, transfer, or transportation is otherwise lawful under the laws of this state. An ordinance regulating firearms in violation of this section existing on or after April 5, 1990, is void.

3. If a political subdivision of the state, prior to, on, or after July 1, 2017, adopts, makes, enacts, or amends any ordinance, measure, enactment, rule, resolution, motion, or policy regulating the ownership, possession, legal transfer, lawful transportation, registration, or licensing of firearms when the ownership, possession, transfer, transportation, registration, or license is otherwise lawful under the laws of this state, a person adversely affected by the ordinance, measure, enactment, rule, resolution, motion, or policy may file suit in the appropriate court for declaratory and injunctive relief for damages.

DIVISION VIII

PISTOLS OR REVOLVERS — CAPITOL BUILDINGS AND GROUNDS

## **V. Personal Electronic Devices:**

New technologies have facilitated legal research as well as case preparation and presentation. They have also dramatically changed the means and expectations, which people have, in communicating with one another. Many people routinely carry some form of cell phone, smartphone, personal digital assistant, tablet, laptop, or other similar portable wireless communications or computing device (hereinafter collectively referred to as "Personal Electronic Devices"). To maintain the decorum of court proceedings, ensure a fair trial, and protect the rights and safety of court participants in this rapidly changing environment, it is important that courts place appropriate limits on the use of Personal Electronic Devices.

- A. Within the Courthouse (Outside Courtrooms):
  1. Any person may bring a Personal Electronic Device, subject to inspection and security screening, into the Courthouse.
  2. If the Personal Electronic Device contains a phone function, its ring function shall be turned off at all times within the Courthouse. Telephone conversations are permitted but shall not interfere with the efficient functioning of the courts or County offices.
  3. Persons inside the Courthouse may use a Personal Electronic Device but only if the Personal Electronic Device is operated in a manner that is unobtrusive and does not interfere with the integrity, dignity, and decorum of the Courthouse or the efficient operation of court business.
  4. No person shall use a Personal Electronic Device to communicate with any courtroom participant at any time during the course of any proceedings. A "courtroom participant" includes an attorney, litigant, witness, or juror, who is present in the courtroom as part of the conduct of any proceedings.
  5. No person shall use a Personal Electronic Device to photograph or otherwise communicate identifying information regarding jurors or witnesses. In addition to any penalties described below, violation of this subsection may result in criminal prosecution.
- B. Woodbury County Courthouse Safety and Security Detail shall not substitute or interfere with the Courtroom Security provided by the Sheriff per Iowa Code 331.653(4).
- C. Woodbury County Courthouse Safety and Security shall work in harmony with those employed by the Sheriff to ensure that all people are safe and secure.

D. Visitors and employees must be aware that within the Courtroom:

1. Unauthorized persons must turn off all Personal Electronic Devices before entering a courtroom.
2. Courtroom participants, as defined in above subsection A (5), excluding jurors, shall be authorized to use Personal Electronic Devices. However, if the Personal Electronic Device contains a phone function, its ring function shall be turned off at all times within the courtroom. No telephone conversations are permitted within the courtroom, unless specifically authorized by the presiding judge.

E. Media Coverage:

The Expanded Media Coverage rules found in Chapter 25 of the Iowa Court Rules shall apply to all persons entering the Courthouse. A copy of the full rules may be found at <https://www.legis.iowa.gov/IowaLaw/CourtRules.aspx>.

Unless otherwise specified in the Iowa Court Rules, members of the media seeking to use Personal Electronic Devices within a courtroom shall submit such requests to the Regional Media Coordinator. All media will need to submit to the screening process upon entry to the Courthouse and check in with Court Administration.

F. Violation:

Persons violating this section may have the use of their Personal Electronic Device restricted, including, but not limited to, being asked to move to another location or having their Personal Electronic Device confiscated. Persons in violation of this section shall also forfeit the privilege of bringing a Personal Electronic Device into the Courthouse or courtroom for the remainder of the proceedings for that particular case. Furthermore, persons in violation of the section may be held in contempt, which could result in a fine or jail time being levied. Finally, the court, in its discretion, may order that any audio recording, photographs, video, or communication made in violation of these rules be destroyed.

## VI. Deliveries:

Delivery personnel and packages shall be subject to Safety and Security screening. Delivery vehicles shall be parked in a regular marked parking space. Supervisory Order

Each county in Iowa maintains a courthouse where Iowans go to resolve their legal disputes in an open, fair, impartial, and civil manner. This entry point into Iowa’s justice system is designated as the Iowa district court. The justice system is an important pillar of democracy, and each courthouse holds a profound and dignified stature in each community. Many Iowa courthouses were built more than a century ago in the center of the community, and all have been integrated into the community as an expression of the importance of justice. As observed by the *Newton Daily News* in 1911, courthouses are the “silent witness to the adjudication of the rights and the correction of wrongs.” Today, Iowa’s court facilities have grown to include many law enforcement and justice centers in partnership with county and city government, and together, these centers of justice make up the brick and mortar of the Iowa district court.

While Iowa’s courthouses and justice centers are maintained by counties and cities with immense pride and are treated by the public with unwavering respect, increasing concern over the security of these facilities has emerged in Iowa, as it has with court facilities across the nation. See *The Iowa State Bar Association 2005 Courthouse Security Task Force Report*. Courtroom proceedings can at times become adversarial, and the subject matter of court proceedings can be emotional and controversial. All of this, and more, has historically given rise to the fear of violence, even violence itself. These threats, however, are not confined to courtrooms. It also threatens the safety of those Iowans who come into courthouses and court facilities to conduct other

business and to those who work in courthouses and court facilities to provide important services to the public. Unfortunately, as many news reports attest, incidents of violence in courthouses are becoming more and more common in both urban and rural counties. These incidents have occurred across the state from Des Moines County to Woodbury County and from Jackson County to Pottawattamie County.

When Iowans believe their courthouses and court facilities are not safe, the integrity of the entire justice process is compromised and undermined. Courthouse security is inseparable from the concept of justice itself.

Under article V, section 4 of the Iowa Constitution, the Iowa Supreme Court is vested with the power to exercise supervisory and administrative control over Iowa's district courts. With all power comes responsibility. With the power to supervise and administer courts comes the responsibility to promote safety in courthouses and court facilities.

In the last several years, the supreme court has increased efforts to address courthouse security by working with county and city officials to take steps necessary to protect the safety of every courthouse visitor and employee in all county courthouses. These efforts and others have been reported to the state legislature, and to all Iowans, in the annual Condition of the Judiciary message. In addition, many district court judges across the state have issued orders on matters of courthouse security within specific county courthouses or judicial districts. For example, the Second Judicial District of Iowa issued an administrative order in 2016 prohibiting weapons in courtrooms and other judicial-branch occupied spaces for all twenty-two county courthouses in the district. Similar prohibitions are in place in other judicial districts and in other counties.

In 2015, the judicial branch and county officials developed joint guidelines for courthouse and public building security in Iowa. These guidelines reflect best practices for providing security in Iowa's courthouses and public buildings. One guideline calls for each county to establish a courthouse and public building security committee comprised of county and court officials to develop and implement security plans based on local needs and resources. Many of these committees continue to meet regularly. But, more needs to be done, and time is of the essence when safety is threatened.

Currently, 72 counties prohibit weapons in courtrooms and other judicial-branch controlled spaces in courthouses. These weapons prohibitions are issued by county ordinance or by an administrative order of the chief judge. Eleven counties prohibit weapons in all county buildings. Forty-four counties prohibit weapons in a courthouse, and sixteen counties prohibit weapons only in areas the judicial branch controls. These weapons policies were implemented to make Iowa's courtrooms safer, but they have failed to provide uniform protection across the state and throughout every courthouse. The inconsistent policies and gaps in protection must be corrected for our unified court system to uniformly protect all Iowans.

The supreme court understands the difficulty of constructing a statewide weapons policy and the complexity of the issue of restricting weapons. This difficulty is compounded by the presence of city, county, and judicial branch offices in many court facilities, and the shared public access in those facilities. Yet, our constitutional responsibility to supervise and administer justice in Iowa requires court facilities in every county to be safe and compels us to act before history records more acts of courthouse violence. A statewide policy is needed to promote safety in all courtrooms and other court-controlled areas.

We also understand that a weapons prohibition will not cure the problem of courtroom violence or the threat, particularly in those court facilities without entry point protocols to detect weapons. Yet, a statewide weapons policy will establish a baseline standard that weapons in courtrooms must only be carried by law enforcement and court officers assigned to protect Iowa's courtrooms and court facilities.

After considering all factors and competing interests, the court now concludes Iowa's unified court system requires a consistent, uniform, and statewide policy prohibiting all weapons from courtrooms, court-controlled spaces, and public areas of courthouses and other justice centers. This policy serves to establish a safety perimeter for each courthouse or justice center that allows for the efficient implementation and enforcement of a weapons prohibition and is intended to prohibit the general public from entering any courthouse or justice center with a weapon. At the same time, the court understands the unique aspects of each courthouse or justice center, including factors such as building design, courthouse architecture, historical preservation requirements, cost efficiencies, law enforcement needs, and county or city employee policies. District court judges and county or city officials should continue to work together to accommodate these local concerns, consistent with the intent and objective of this supervisory order.

Accordingly, under our constitutional authority and responsibility to supervise and administer Iowa's district courts, the supreme court now orders that all weapons are prohibited from courtrooms, court-controlled spaces, and public areas of courthouses and other justice centers occupied by the court system. This order does not affect the authority of county or city officials to determine appropriate employment policies for their employees in county and city offices located in courthouses and other justice centers. This order also

does not affect the authority of peace officers to carry weapons in courthouses and justice centers while performing law enforcement duties. The chief judge of each judicial district is authorized to work with county and city officials as well as courthouse and public building security committees to develop additional policies and procedures necessary to implement this supervisory order. This order applies to the Judicial Branch Building.
