WHEREAS, it is deemed necessary and advisable that Woodbury County, State of Iowa, should provide for the authorization of a Loan Agreement and issuance of General Obligation Capital Loan Notes, to the amount of not to exceed \$406,000, as authorized by Sections 331.402 and 331.443, of the Code of Iowa, for the purpose of providing funds to pay costs of carrying out essential county purpose project(s) as hereinafter described; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF WOODBURY COUNTY, STATE OF IOWA:

Section 1. That this Board meet in the Board Room, Woodbury County Courthouse, 620 Douglas Street, Sioux City, Iowa, at 4:40 P.M., on the 5th day of March, 2024, for the purpose of taking action on the matter of the authorization of a Loan Agreement and issuance of not to exceed \$406,000 General Obligation Capital Loan Notes, for essential county purposes, the proceeds of which notes will be used to provide funds to pay the costs of capital projects for the construction, reconstruction, improvement, repair or equipping of bridges, roads, and culverts which assist in economic development through the creation of jobs and wealth, including the Frontage Road project.

Section 2. That pursuant to Iowa Code Section 331.441(2)(b)(16), capital projects must be found to "assist in economic development which creates jobs and wealth". No procedure for establishing this is spelled out in the Code. Accordingly, pursuant to Iowa Code Section 331.301(5), the Board elects to have a financial impact report prepared for purposes of determining the impacts of the proposed projects.

Section 3. The County Engineer has compiled data and prepared report, a copy of which is attached hereto and incorporated herein by this reference, which demonstrates the economic impact of the proposed projects. Having reviewed said report, this Board finds:

a) These capital improvement projects:

i. provide necessary access to multiple businesses such as Security Bank, Lewis Pharmacy, Jeff's Bar, Subway, Movilatte Coffee Shop, Countryman Financial Group, and a new medical clinic (currently under construction);

ii. provide necessary hard surface roads, bridges and culverts for efficient and safe County travel, including Frontage Road;

iii. provide necessary access to retail, commercial, medical and educational operations which assist in economic development through the creation of jobs and wealth

iv. provide improved hard surface roads for workers traveling to and from work within the County, and travel in and out of Woodbury County;

v. provide improved hard surfaced roads for clients and customers traveling to and from businesses within the County.

b) The health, safety and welfare of our citizens are dependent upon efficient travels within the County. Adequate and current infrastructure is necessary to achieve these goals and attracts a quality workforce for county industries seeking to expand.

c) Access to safe and efficient roads and bridges is a draw to a quality workforce.

For the foregoing reasons, this Board finds the proposed capital improvement projects enumerated in the Engineer's report assist economic development efforts within the County which are designed to create jobs and wealth for citizens of the County.

Section 4. That the Auditor is hereby directed to cause at least one publication to be made of a notice of the meeting, in a legal newspaper, printed wholly in the English language, published at least once weekly, and having general circulation in the County. The publication to be not less than four clear days nor more than twenty days before the date of the public meeting on the issuance of the Notes.

Section 5. The notice of the proposed action to issue notes shall be in substantially the following form:
