Section 3. BOKF, N.A., Lincoln, NE is hereby designated as the Registrar and Paying Agent for the Bonds and may be hereinafter referred to as the “Registrar” or the “Paying Agent”. The County shall enter into an agreement (the “Registrar/Paying Agent Agreement”) with the Registrar, in substantially the form as has been placed on file with the Board; the Chairperson and County Auditor are hereby authorized and directed to sign the Registrar/Paying Agent Agreement on behalf of the County; and the Registrar/Paying Agent Agreement is hereby approved.

The County reserves the right to prepay part or all of the principal of the Bonds maturing in each of the years 2030, 2031 and 2032, prior to and in any order of maturity on June 1, 2029, or on any date thereafter upon terms of par and accrued interest. If less than all of the Bonds of any like maturity are to be redeemed, the particular part of those Bonds to be redeemed shall be selected by the Registrar by lot. The Bonds may be called in part in one or more units of \$5,000.

If less than the entire principal amount of any Bond in a denomination of more than \$5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Bond, a new Bond or Bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Bond. Notice of such redemption as aforesaid identifying the Bond or Bonds (or portion thereof) to be redeemed shall be sent by electronic means or mailed by certified mail to the registered owners thereof at the addresses shown on the County’s registration books not less than 30 days prior to such redemption date. Any notice of redemption may contain a statement that the redemption is conditioned upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if funds are not available, such redemption shall be cancelled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was sent. All of such Bonds as to which the County reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given and for the redemption of which funds are duly provided, shall cease to bear interest on the redemption date.

Accrued interest on the Bonds shall be payable semiannually on the first day of June and December in each year, commencing December 1, 2022. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest on the Bonds shall be made to the registered owners appearing on the registration books of the County at the close of business on the fifteenth day of the month next preceding the interest payment date and shall be paid to the registered owners at the addresses shown on such registration books. Principal of the Bonds shall be payable in lawful money of the United States of America to the registered owners or their legal representatives upon presentation and surrender of the Bond or Bonds at the office of the Paying Agent.

The Bonds shall be executed on behalf of the County with the official manual or facsimile signature of the Chairperson of the Board and attested with the official manual or facsimile signature of the County Auditor, and shall be fully registered Bonds without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Bonds shall not be valid or become obligatory for any purpose until the Certificate of Authentication thereon shall have been signed by the Registrar.

The Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the County kept by the Registrar, and after such registration, payment of the principal thereof and interest thereon shall be made only to the registered owners or their legal representatives or assigns. Each Bond shall be transferable only upon the registration books of the County upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

Section 4. Notwithstanding anything above to the contrary, the Bonds shall be issued initially as Depository Bonds, with one fully registered Bond for each maturity date, in principal amounts equal to the amount of principal maturing on each such date, and registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). On original issue, the Bonds shall be deposited with DTC for the purpose of maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the “Participants”). In the event that DTC determines not to continue to act as securities depository for the Bonds or the County determines not to continue the book-entry system for recording ownership interests in the Bonds with DTC, the County will discontinue the book-entry system with DTC. If the County does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the County will register and deliver replacement bonds in the form of fully registered certificates, in authorized denominations of \$5,000 or integral multiples of \$5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the County identifies a qualified securities depository to replace DTC, the County will register and

deliver replacement bonds, fully registered in the name of such depository, or its nominee, in the denominations as set forth above, as reduced from time to time prior to maturity in connection with redemptions or retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Bonds.

Ownership interest in the Bonds may be purchased by or through Participants. Such Participants and the persons for whom they acquire interests in the Bonds as nominees will not receive certificated Bonds, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant's interest in the Bonds, which will be confirmed in accordance with DTC's standard procedures. Each such person for which a Participant has an interest in the Bonds, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other communications of the County to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The County will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such Participants or the persons for whom they act as nominees.

As used herein, the term "Beneficial Owner" shall hereinafter be deemed to include the person for whom the Participant acquires an interest in the Bonds.

DTC will receive payments from the County, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Bonds will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.

Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Bonds acquired. Transfers of ownership interests in the Bonds will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except as specifically provided herein. Interest and principal will be paid when due by the County to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

Section 5. The Bonds shall be in substantially the following form:

Section 6. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds or upon the Issuer's receipt of an opinion of nationally recognized bond counsel to the effect that, because of legislative action or final judicial action or administrative actions or proceedings, the failure of the Issuer to comply with the terms hereof will not cause Participating Underwriters to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended.

Section 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent shall be the D.A. Davidson & Co.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) (i) the amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted; (ii) the undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and (iii) the amendment or waiver either (1) is approved by a majority of the Holders, or (2) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners; or

(b) the amendment or waiver is necessary to comply with modifications to or interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing audited financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c), and (ii) the Annual Report for the year in which the change is made will present a comparison or other discussion in narrative form (and also, if feasible, in quantitative form) describing or illustrating the material differences between the audited financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any Holder or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate. Direct, indirect, consequential and punitive damages shall not be recoverable by any person for any default hereunder and are hereby waived to the extent permitted by law. A default under this Disclosure Certificate shall not be deemed an event of default under the Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent, if any, shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Issuer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

PAYING AGENT AND REGISTRAR AGREEMENT

This Agreement is made and entered into as of August 24, 2021, by and between Woodbury County, Iowa (the "Issuer"), and BOKF, National Association, Lincoln, Nebraska (the "Registrar").

WITNESSETH:

WHEREAS, the Issuer has authorized the issuance of \$8,820,000 General Obligation Urban Renewal County Road Improvement Bonds, Series 2021, dated August 24, 2021 (the "Bonds"), by a resolution duly adopted by the Board of Supervisors of the Issuer (the "Resolution"), and requires the services of a Paying Agent and Registrar for said issue; and

WHEREAS, the Registrar is willing to provide services as Paying Agent and Registrar pursuant to the terms of this Agreement and the Resolution in consideration for the compensation described in this Agreement;

NOW THEREFORE, the Issuer and the Registrar do hereby agree as follows:

1. The Registrar agrees that it shall maintain on behalf of the Issuer books of record in which the registered owners of the Bonds and their registered addresses shall be duly recorded.

2. The Registrar agrees that it shall serve as Paying Agent for the Issuer in making the payments of principal and interest falling due on the Bonds. The Issuer shall, not later than five days before each interest and principal payment date on the Bonds, deposit with the Registrar an amount sufficient to make such payment and the Registrar shall apply such deposit by mailing a check or draft to each of the registered owners of the Bonds as shown on the books of record maintained pursuant to Section 1 hereof for the appropriate amounts of interest due on each respective Bond and by paying principal upon presentation, all in accordance with the Resolution. Payment made to the Depository or its nominee as defined and described in the Resolution shall be made as described in the Resolution and as described in Section 13 below.

3. The Registrar hereby accepts and agrees to perform all duties directed by the Resolution to be performed by the "Paying Agent" and "Registrar" as defined in the Resolution (specifically including, without limitation, duties relating to bond insurance) and the terms of the Resolution are hereby incorporated by reference.

4. The Registrar shall make the initial registration of the Bonds upon written directions from the original purchaser thereof as designated in the Resolution.

5. Transfer of the Bonds shall be registered pursuant to the limitations prescribed in the Resolution, upon surrender to the Registrar of any outstanding Bond in form deemed by the Registrar properly endorsed for transfer with all necessary signatures guaranteed in such manner and form as the Registrar may require by a signature guarantor reasonably believed by Registrar to be responsible, accompanied by such assurances as the Registrar shall deem necessary or

appropriate to evidence the genuineness and effectiveness of each necessary signature and, if deemed appropriate by the Registrar, satisfactory evidence of compliance with all applicable laws relating to the collection of taxes. In registering transfer of the Bonds, the Registrar may rely upon the Uniform Commercial Code or any other statutes which in the opinion of counsel protect the Registrar and the Issuer in not requiring complete documentation, in registering Bonds without inquiry into adverse claims, in delaying registration for purposes of such inquiry, or in refusing registration where in Registrar's judgment an adverse claim requires such refusal.

6. As provided by law, the books of registration maintained by the Registrar shall not be deemed public records and shall be available for inspection solely pursuant to a court order or a subpoena of any governmental agency having jurisdiction to issue such subpoena.

7. At least annually, the Registrar shall give a report to the Issuer accounting for all funds received and disbursements made. The Registrar shall maintain customary records in connection with its exercise of its duties under this Agreement and the Resolution.

8. At any time, the Registrar may apply to the Issuer for instructions and may consult with the Issuer's attorney or the Registrar's own counsel in respect to any matter arising in connection with its duties under this Agreement and the Resolution and the Registrar shall not be liable or accountable for any action taken or omitted by it in good faith in accordance with such instructions or with the opinion of such counsel. The Registrar may rely on any paper or document reasonably believed by it to be genuine and to have been signed by the proper person or persons.

9. The Issuer agrees to pay any expenses reasonably incurred by the Registrar in connection with the performance of its duties under this Agreement and the Resolution including counsel fees, and in addition shall pay the Registrar as compensation for its services as shown on the attached schedule.

10. Any corporation or association into which the Registrar may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation, or transfer to which it is a part, shall ipso facto, be and become successor Registrar hereunder and vested with all of the trusts, powers, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

11. The Issuer shall have the right to remove the Registrar in the event of a material breach of the Registrar's duties under this Agreement and the Resolution and the continued service by the Registrar shall also be subject to the provisions of the Resolution. In such event, the Issuer shall have the right to designate a successor and the Registrar hereby agrees that it shall turn over all of its records with respect to the Bonds to any such successor upon request by the Issuer.

12. This Agreement shall terminate when the Bonds have been paid in full. The Registrar shall have no duties with respect to the investment of monies paid to it under this Agreement and the Resolution except as may be otherwise agreed between the Registrar and the Issuer. Any deposit of such monies shall be either fully insured by insurance at the Federal Deposit Insurance Corporation or fully secured in the manner required by law for deposit of funds of the Issuer. Any such deposit may be in an account maintained with the Registrar.

13. Under the terms of the Resolution, the Bonds are to be issued initially as "book-entry-only bonds" using the services of The Depository Trust Company (the "Depository") and initially the entire issue of the Bonds shall be registered in the name of Cede & Co., as nominee for the Depository, with one typewritten bond for each separate stated maturity. Payment of semiannual interest for any Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer to the account of Cede & Co. on the interest payment date for the Bonds at the address (wire instruction) shown in the Registrar's books of registration for Cede & Co. as registered owner in accordance with the Depository's procedures as in effect from time to time. The Registrar agrees that it will execute and observe the terms and conditions of the Letter of Representations (the "Letter of Representations") as authorized by the Resolution. The Letter of Representations may be in the form of separate undertakings executed by the Registrar and the Issuer in connection with services provided by the Depository.

The Registrar and the Issuer may treat the Depository (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under the Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any participant of the Depository ("Participant"), any person claiming a beneficial ownership interest in the Bonds under or through the Depository or any Participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder, with respect to the accuracy of any records maintained by the Depository or any Participant; the payment by the Depository or any Participant or any amount in respect of the principal of or interest on the Bonds; any notice which is permitted or required to be given to Bondholders under the Resolution; the selection by the Depository or any Participant of any person to receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by the Depository as Bondholder. The Registrar shall pay all principal of and interest on the Bonds only to the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. Except under the conditions directed below, no person other than the Depository shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal of and interest pursuant to the Resolution. Upon delivery by the Depository to the Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in the place of Cede & Co., and subject to the provisions in the Resolution with respect to Record Dates, the term "Cede & Co." in this Agreement shall refer to such new nominee of the Depository. If the Depository gives notice to the Issuer or the Registrar pursuant to the Letter of Representations that it will

discontinue providing its services as securities depository with respect to the Bonds, the Issuer shall either appoint a successor securities depository or terminate the book-entry system for the Bonds under the following conditions:

(a) Any successor securities depository must be a clearing agency registered with the Securities and Exchange Commission pursuant to Section 17A of the Securities Exchange Act of 1934 and must enter into an agreement with the Issuer and the Registrar agreeing to act as the depository and clearing agency for all the Bonds. After such agreement has become effective, the Depository shall present the Bonds for registration of transfer in accordance with the Resolution and the Registrar shall register them in the name of the successor securities depository or its nominee. If a successor securities depository has not accepted such position prior to the effective date of the Depository's termination of its services, the book-entry system shall automatically terminate.

(b) If the Issuer elects to terminate the book-entry system for the Bonds, it shall so notify the Registrar in writing. Thereafter, upon presentation of the Bonds, or any of them, by the Depository or its nominee to the Registrar for registration of transfer in accordance with the Resolution, the Registrar shall register the transfer in accordance with the Resolution and all provisions of this Section 13 shall immediately cease to be in effect.

The Issuer may elect to terminate the book-entry system for the Bonds at any time by giving written notice to the Depository and the Registrar. On the effective date of such termination, the provisions of this Section 13 shall cease to be in effect, except that the Registrar shall continue to comply with applicable provisions of the Letter of Representations with respect to the Bonds as to which the Depository remains the registered owner. After such termination, the Registrar shall, upon presentation of the Bonds by the Depository or its nominee for registration of transfer or exchange in accordance with the Resolution make such transfer or exchange in accordance with the Resolution. Upon the appointment of a successor securities depository or termination of the book-entry system, the Registrar shall give notice of such event to the registered owners of the Bonds (through the Depository) and (1) of the name and address of the successor securities depository or (2) that the Bonds may now be obtained by the beneficial owners of the Bonds, or their nominees, upon proper instructions being given to the Depository by the relevant Participant and compliance by the Depository with the provisions of the Resolution regarding registration of transfers. Notwithstanding any other provision of this Agreement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Depository (or any successor nominee), all payments with respect to the principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations. In connection with any notice or other communication to be provided to Bondholders pursuant to the Resolution by the Issuer or the Registrar with respect to any consent or other action to be taken by Bondholders, the Issuer or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

14. If any one or more of the covenants or agreements to be performed by either of the parties to this Agreement shall be determined by a court of competent jurisdiction to be unenforceable, such covenants or agreement shall be deemed and construed to be severable from the remaining covenants and agreements contained herein and shall in no way affect the validity of the remaining provisions of this Agreement.

15. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

16. This Agreement shall be governed by and construed in accordance with the laws of the State of Iowa.

IN WITNESS WHEREOF, the parties hereto have each caused this Paying Agent and Registrar Agreement to be executed by their duly authorized officers and attested as of the date first above written.
