

**THIS MEMO CONTAINS IMPORTANT INFORMATION**  
**PLEASE READ THIS CAREFULLY!**

As of July 1, 1999 in the State of Iowa, both Party A and Party B have the opportunity to change any part of their name—first, middle or last—to anything they wish AFTER the marriage ceremony has occurred.

Please keep in mind that if either Party A or Party B changes any part of their name, it is a LEGAL NAME CHANGE. Once the marriage has occurred, it would require a court action to make any changes to the new legal name.

The new name does not have to contain any part of the person's previous name, but it may.

By completing the Marriage Application form:

- (1) you will have indicated your full current legal name
- (2) you will have indicated your new legal name after marriage
- (3) you understand that the marriage ceremony must take place in the STATE OF IOWA

Please sign this form to indicate that you understand this information.
