Hi Karen!

It's that time of the year again! We have 3 board appointments that we would like to have placed on the agenda. Two are re-appointments and one is a new person in the Welfare category. The two reappointments are Bob Knowler, representing SW Rural Woodbury County and Tom Cooper, representing Education. All terms are for 3 years.

The new appointment is Jodi Sigler. Jodi would like to serve as the board's representative in the Welfare Category. Jodi would like to be a member of the Community Action Agency's Board of Directors. Here is a little biographical information about her:

Jodi has been in the health care field over 18 years and currently works as a dental hygienist. She works with people from all income levels and accepts a pretty significant share of Title XIX patients. Jodi was a single mother that needed services like those offered at our agency, until she graduated from college and began her career. She is a caring person that wants to help others. Jodi served as the I-Smile Coordinator for HCCMS and has done both school and home visits in several of the rural counties to the South of Woodbury. Jodi comes from a family that taught her to help the working families of Siouxland.

Please let me know when the candidates are placed on the agenda so that I can let them know. Next week, on March 31, I have a press conference for a grant that we received at 4:00 PM, so I would appreciate it if you could pick any week in April.

Thanks!
Jean
