We have reviewed the bids

1) Electronic Engineering failed to follow the instructions in the RFQ

2) TSI was \$32,991

3) Quality

Basic Materials	\$12,879.00
Labor up to	\$1,450.00
Optional Camera	\$1,549.50
Labor up to	<u>\$150.00</u>
	\$16,028.50
	w/3 year warranty

4) Electric Innovations

All Materials, Labor, Optional Camera \$11,542.08

w/3 year warranty

There is an option for a 5 year warranty, we would recommend it.

Approximately \$2,300 for the 4th and 5th year.

Or place a line item in the budget for year 4 and year 5 for replacement

With the help of WCICC we were able to observe an older version of the cameras.

Picture Quality was excellent in a variety of light conditions.

WCICC and Building Maintenance both have a good track record with this local vendor.
