Bid Order No. \_\_\_\_\_

Type of Work Pavement MarkingProject No. Pavement Marking 2025System Local Miles \_\_\_\_\_County WoodburyLocation and Description Various Roadways in Woodbury County as indicated on attached map

Paint shall be waterborne or solvent based - The quantity is based on 3.40 stations of 4" line per gallon. The special project marking at Port Neal and 255th Street shall include lines and arrows as per attachment, and shall be grooved and preformed thermal painted.

Centerline no-passing lines shall be 4" wide. Skip lines shall be 4 1/2" wide and be 10' long with a 30' space between each.. Stop bars shall be 24" wide and placed at the stop sign. Edge line solid white shall be 4" wide, skipping intersections and major driveways.

Quote shall include all labor, materials, brooming of the surface and traffic control. Paint shall be as per Iowa D.O.T. specification 2527.02 for wet film thickness and spheres per gallon requirements and Section 4183 of the Iowa Department of Transportation Standard Specifications Series 2015.

All painting must be done with a contracting authority inspector present or specific and explicit approval by the County Engineer. Any painting done not meeting these requirements will be subject to penalty.

ALL ROADWAYS SHALL BE CLEANED BY SWEEPING PRIOR TO PAINTING.

The bidder hereby certifies that no other principal is involved in or has an interest in this proposal; that the bidder has thoroughly examined the plans and specifications and this contract form and is aware of the special provisions contained herein, that the bidder has examined the site of the work and understands that the quantities of work required by the plans and specifications are approximate only and are subject to increases and decreases- that the bidder understands that all quantities of work actually required must be performed and that payment therefore shall be at the unit prices stipulated herein- that the bidder proposes to timely furnish the specified materials in the quantities required and to furnish the machinery, equipment labor and expertise necessary to competently complete this project by the time specified, that no state or county official or employee has a direct or indirect interest in the contract which would cause violation of Section 314.2 Code of Iowa; that the bidder has made no agreement with any supplier of motor fuel or special fuel which will result in a violation of Section 324.17(8) Code of Iowa.

If this bid is accepted Bidder agrees: to perform all "extra work" required to complete the project at unit prices or lump sums to be agreed upon in writing prior to commencement of such "extra work" or if prior agreement cannot be reached to perform the work on a "force-account basis" as provided in the specifications, to execute the formal contract within thirty days of the date of approval, for award or to forfeit the proposal guaranty furnished herewith; to begin work in accordance with the contract documents and to either complete the work within the contract period or pay liquidated damages which shall accrue at the daily rate specified below for each additional working day the work remains uncompleted furnish a performance bond in an amount equal to the contract award as security for the full and complete performance of the contract in accordance with the plans and specifications.

Group or Division No.	Amount of Proposal Guaranty	Construction Period	Working Days	Liquidated Damages Per Day
	<b>\$ 12,500.00</b>	<b>September 22nd, 2025 Completion Date</b>		<b>\$ 500.00</b>

Enclosed herewith is a certified check credit union share draft Cashier's check, bank draft on a solvent bank or a bid bond in the penal sum shown in the contract document as a proposal guaranty. It is understood by bidder that the said guaranty document shall be retained by the Iowa Department of Transportation as a forfeiture in the event the formal contract is not executed or performance bond is not furnished if the award is made to the undersigned.

By virtue of statutory authority preference will be given to products and provisions grown and coal produced within the state of Iowa where applicable.
