MY BAD....It was supposed to be February 23rd for both. I don't know why I put March 23rd on that form. Do you need an updated one or can you just change the date?

Dixie,

I just wanted to check with you since the "Notice of Appointment to fill a vacancy" form I received from you today is dated March 23 and also the date of appointment is March 23, is this when the appointment is taking place? Or were these supposed to be February 23?

Please advise.
