**Specifically and in Regards to: Amending portions of Ordinance #56:**  
**"An Ordinance Regulating Commercial Wind Energy Conversion Systems**  
**In Unincorporated Woodbury County."**

Dear Chairperson, Matthew Ung,

*Dear Supervisor, Keith Radig,*

As longtime Woodbury County Family Landowners, my wife, Jill S. Moore and I, Galen E. Moore, are writing to STRONGLY URGE the Woodbury County Board of Supervisors to NOT AMEND portions of Ordinance #56! We ask you to instead, support a balanced, reasonable, and democratic ordinance for the SPEEDY DEVELOPMENT of the MidAmerican Wind Turbine Project for Woodbury County, Iowa!

The Mid American Wind Turbine Project will be a tax benefit to Woodbury County, to whom you have a fiscal responsibility of revenue!

Do NOT limit/prohibit our landowner rights to determine if we can participate in this MidAmerican Wind Turbine Project, IN ANY FASHION!  
Do NOT limit/prohibit any realized benefits to us!  
REMEMBER: We are landowners AND taxpayers in Woodbury County, Iowa!

In conclusion: WE ARE NOT IN FAVOR OF MAKING ANY AMENDMENTS TO STOP THE MIDAMERICAN WIND TURBINE PROJECT IN WOODBURY COUNTY, IOWA!

We intend for this letter to be made part of the Public Hearing, Woodbury Board of Supervisors, in reference to portions of Ordinance #56, on October 1, 2024, Woodbury County Courthouse, Sioux City, Iowa, 51101.

Sincerely,

*Galen & Jill Moore*
