Dear Siouxland Mental Health Services, INC,

On behalf of Woodbury County Board of Supervisors, I am pleased to provide a letter of commitment to serve as a community/local organization partner to ensure the success of Siouxland Mental Health Services, Inc. It is my understanding Siouxland Mental Health Center (SMHC) is applying to receive one-time funding from the State of Iowa fund for the innovation of non-profit organizations. SMHC is hopeful that it will receive this funding for expanding infrastructure to enhance and create new pivoting mental health services for children and adolescents. The goal is to eliminate access barriers and create a child friendly space that will promote mental health recovery in a safe and secure environment.

SMHC is committed to behavioral health equity and that all individuals, including children and adolescents, have the right to access high quality and affordable services ensuring that everyone has a fair and just opportunity to be healthy.

The purpose of this Letter of Commitment is to document the commitment and understanding of Siouxland Mental Health Center in collaboration with Woodbury County Board of Supervisors establish a new clinic that will support the mental health of all children and adolescents.

As a dedicated community/ local organization partner, Woodbury County Board of Supervisors is committed to working collaboratively with SMHC to support current services and the further development of unique and cutting-edge services in a location that is specifically designed for children and adolescents.
