To: Woodbury County Supervisors

Woodbury County Attorney

September 25, 2026

Re: Salix Citizens request Iowa Code 21.6 investigation and enforcement

We, the undersigned, herein respectfully request the Woodbury County Attorney's office investigate and pursue what we believe to be open meetings violations committed by the government of Salix, Iowa.

Recent documents obtained through the Freedom of Information Act have revealed numerous violations in the town's attempts to advance a hyperscale data center. Evidence of these activities can be found at the website created by the Salix Guardian Alliance
