Hi Captain Peterson,

your agency paid off its master contract previously. Therefore you have about two years of unused software and services that are being credited back to you.

Therefore, using those credits, you will not owe anything on your master contract for the next two years but are able to upgrade using this contract.

Get Outlook for iOS

Approx. 760K CREDIT w/Axon.

Hi Gentlemen,

I have attached the official Axon quote with the Skydio additions. If your commission/procurement is ok with everything Axon will just need a signed quote to execute (bottom of the quote).

We can jump on a call (or in person when we come out in a couple weeks) to talk shipping schedules/trainings, etc.

Thanks!
