Woodbury County Board of Supervisors Meeting

- **Agenda item #7: Approval of Action Moving & Storage to assist moving elections equipment**
 - I would vote NO and ask Building Services to assist in the moving & loading of the election equipment.
 - I do not see the overt safety risk presented by the current moving situation which warrants a moving company, even at a reasonable cost.

- **Agenda Item 9b: Approval of resolution setting elected officials' wages**
 - I would approve a 1.5% decrease in the proposed elected officials' wage increase for FY27.
 - County Auditor: 4.5% > 3%
 - County Attorney: 6.5% > 5%
 - County Treasurer: 4.5% > 3%
 - I would approve a 0% increase for the County Supervisors for FY27.
 - I would approve the BOS chair stipend to be increase by \$3,500. The total stipend of \$7,000 per year is reasonable for the amount of work expected.

- **Agenda Item # 9e: Approval of salary pay increase of \$10,000 for the Human Resources Director position**
 - I approve of the salary increase for the Human Resources Director.
