Re: LEC Update for Supervisor Nelson

It has been the LEC Authority's commitment since the beginning of the project to provide information, once we had the information ourselves, and to otherwise be transparent.

Continuing to work on fire, fire/smoke damper pricing with Hausmann Construction and GGA re: PCO 081R.

Completed back walks January 2 and 3, 2024, in the County Attorney's space, Courts area, and Sheriff's Administration. Most areas passed with minimal corrections needed.

Work is on-going in Area A. Installation of hard lids, security glass, and furniture in the jail area is being completed with additional painting and cleaning of the area.

January 16 and 17, 2024, the Authority, Baker Group, GGA and Woodbury County Building Services will be conducting punch lists in Upper A first level (Jail area) and Lower A and Area C corridors.

The next Authority meeting is scheduled for Tuesday, January 16, 2024, at 2:00P.
