RESOLUTION FOR THE ESTABLISHMENT OF A STOP SIGN AT THE INTERSECTION  
OF 235<sup>th</sup> STREET AND ALLISON AVENUE  
RESOLUTION NO. 11,914

WHEREAS, under the provisions of Section 321.255 and 321.236 (1C)(6) of the 2013 Code of Iowa, the Board of Supervisors and County Engineer are empowered to designate the location and erection of stop signs,

AND WHEREAS, the County Board and County Engineer may designate certain roads as through roads with the erection of stop signs at specified locations furnishing access thereto or designation of any intersection as a stop intersection and erect like signs at one or more locations of access to such intersections.

AND WHEREAS, traffic through the intersection has changed due to the use of 235<sup>th</sup> Street and Allison Avenue as haul roads during the construction of the new CF Industries plant, resulting in a significant change to the volume of traffic at this intersection,

AND WHEREAS, there is currently a stop sign controlling eastbound and westbound traffic at the intersection,

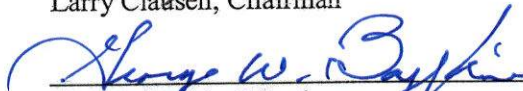

AND WHEREAS, with the increased level of traffic at the intersection, it is deemed a safety hazard to allow the traffic to move without stopping all directions,

NOW THEREFORE BE IT RESOLVED, that the Board of Supervisors of Woodbury County on this 24<sup>th</sup> day of September, 2013, recognize as official the location of a stop sign at the intersection described below:

1. Located at the W ¼ corner of Section 25, T87N, R48W, designated as the intersection of 235<sup>th</sup> Street and Allison Avenue, causing traffic travelling on Allison Avenue northbound and southbound to come to a complete stop.
